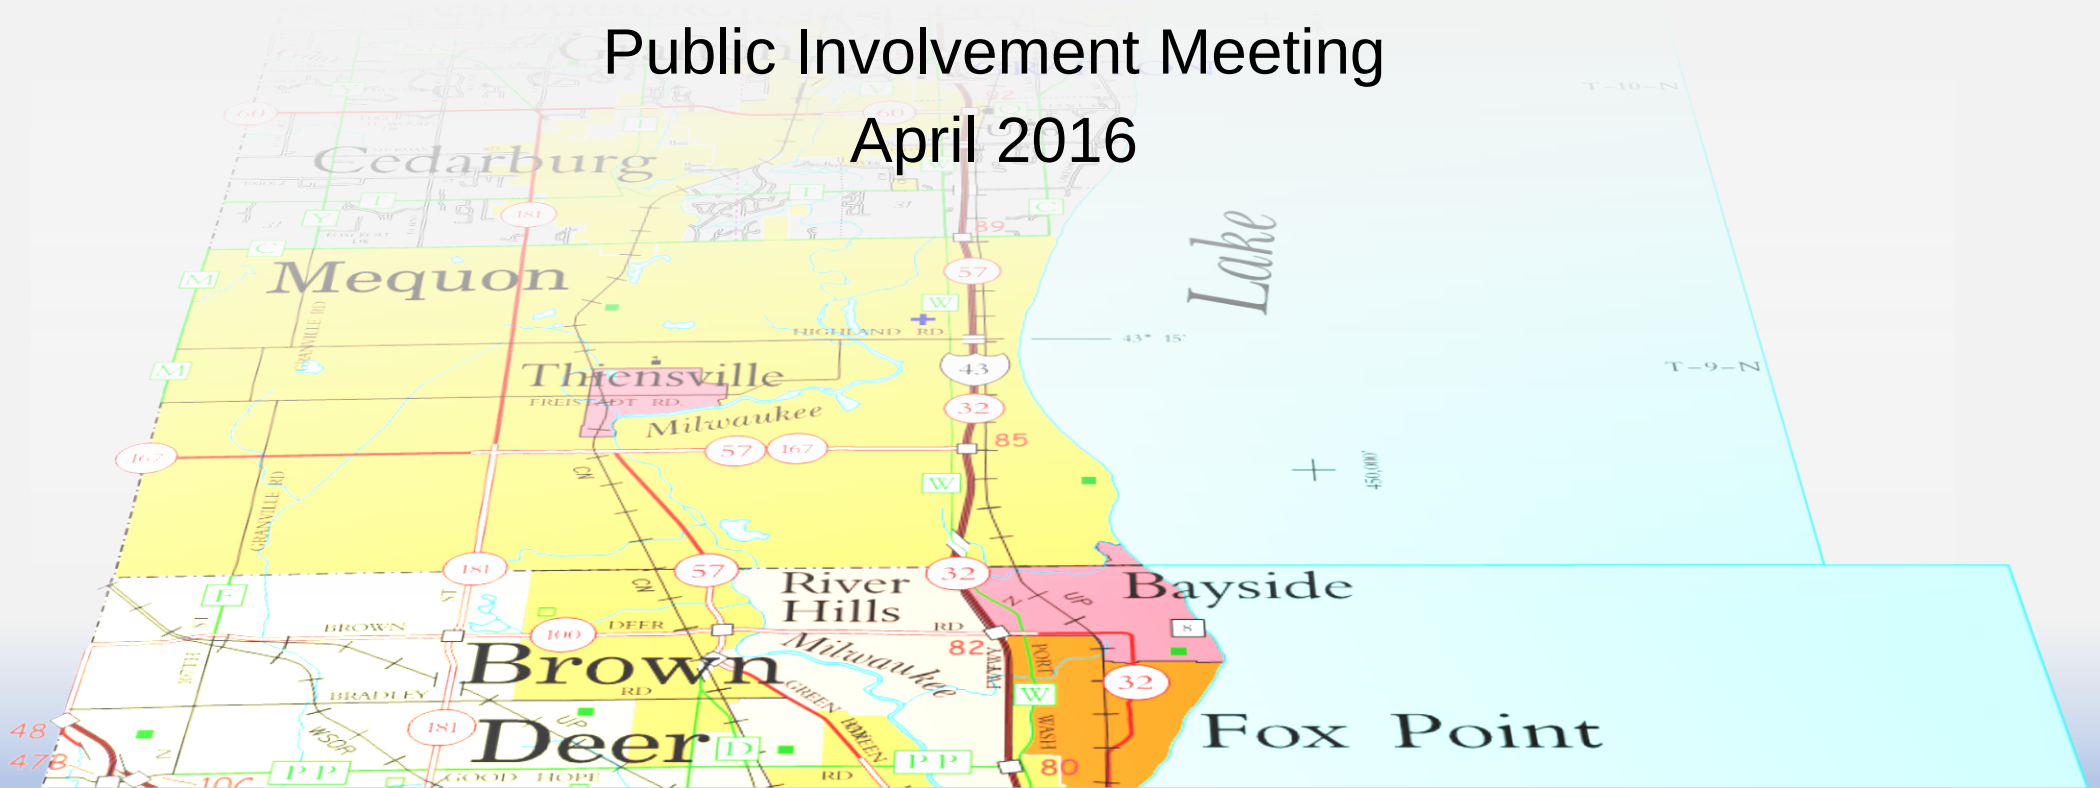
WIS 57 & WIS 100 Median U-Turn

WisDOT Project ID 2270-04-00

Milwaukee and Ozaukee Counties

Public Involvement Meeting

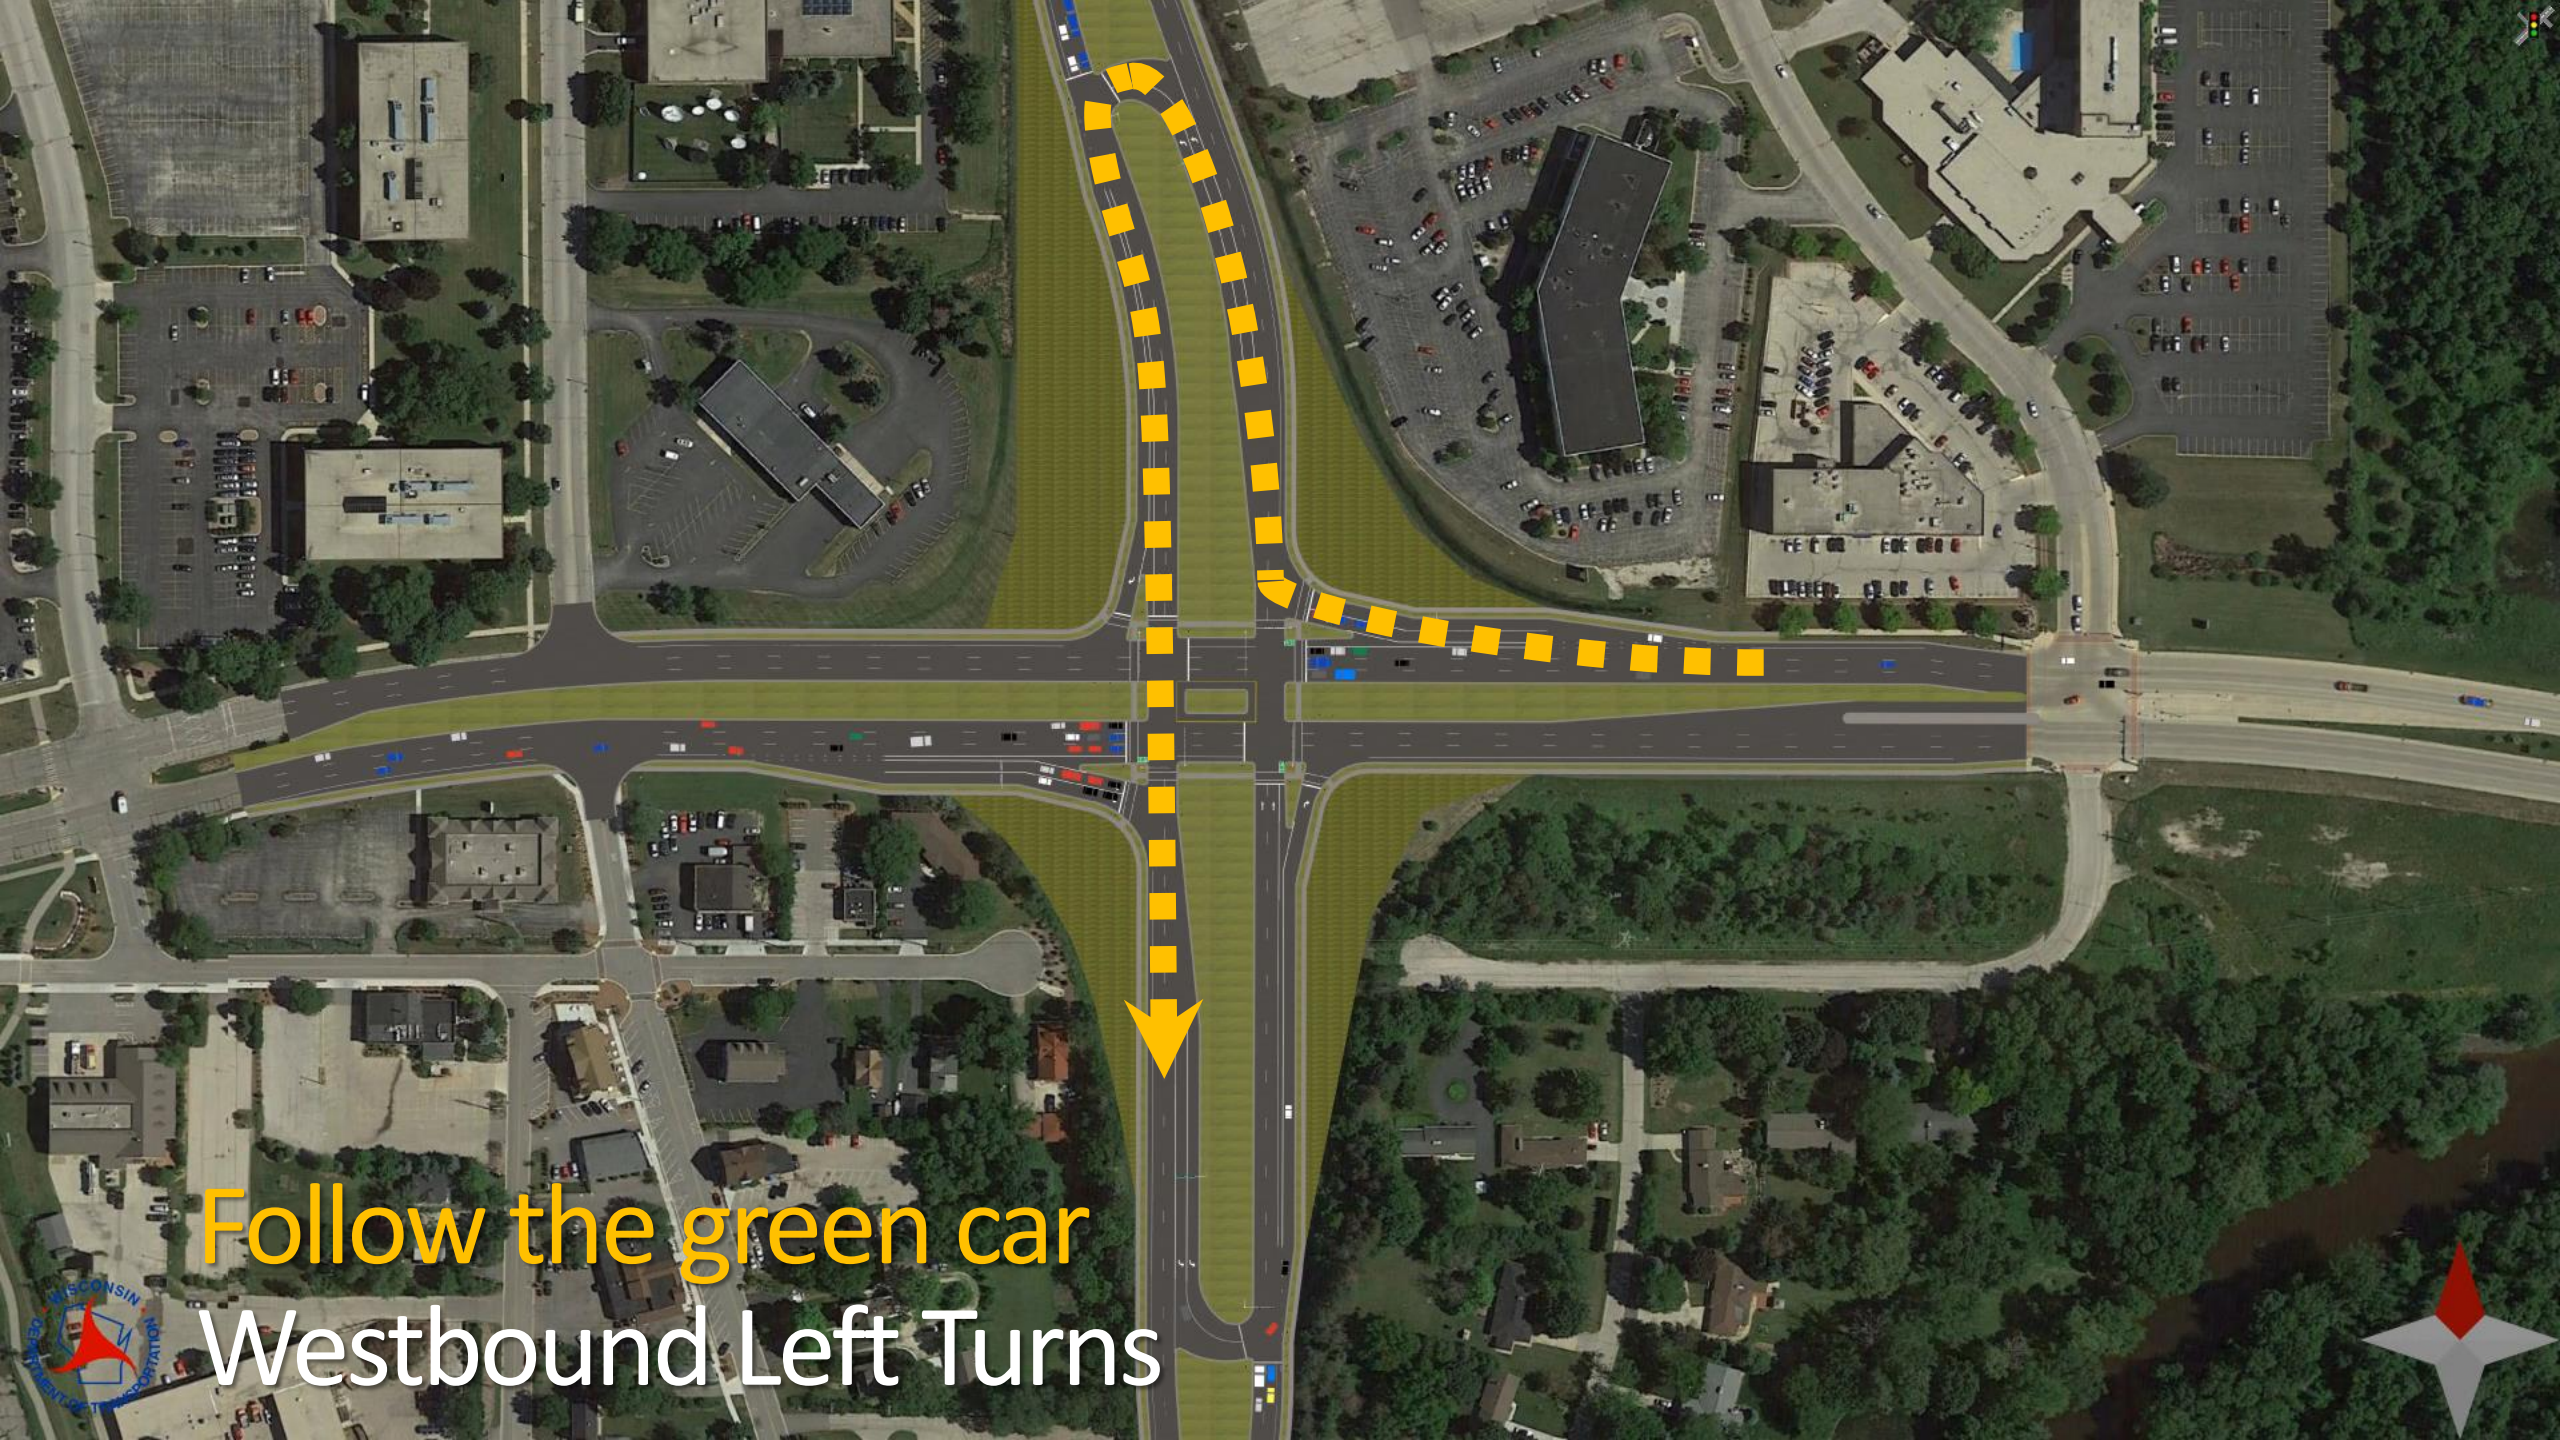
April 2016



Median U-Turn Visualization

- All simulations run at 3x normal speed
- Vehicular traffic volumes reflect design year projections
- Bike and Pedestrian volumes are for demonstration only
- Guide Signs are for display purposes only

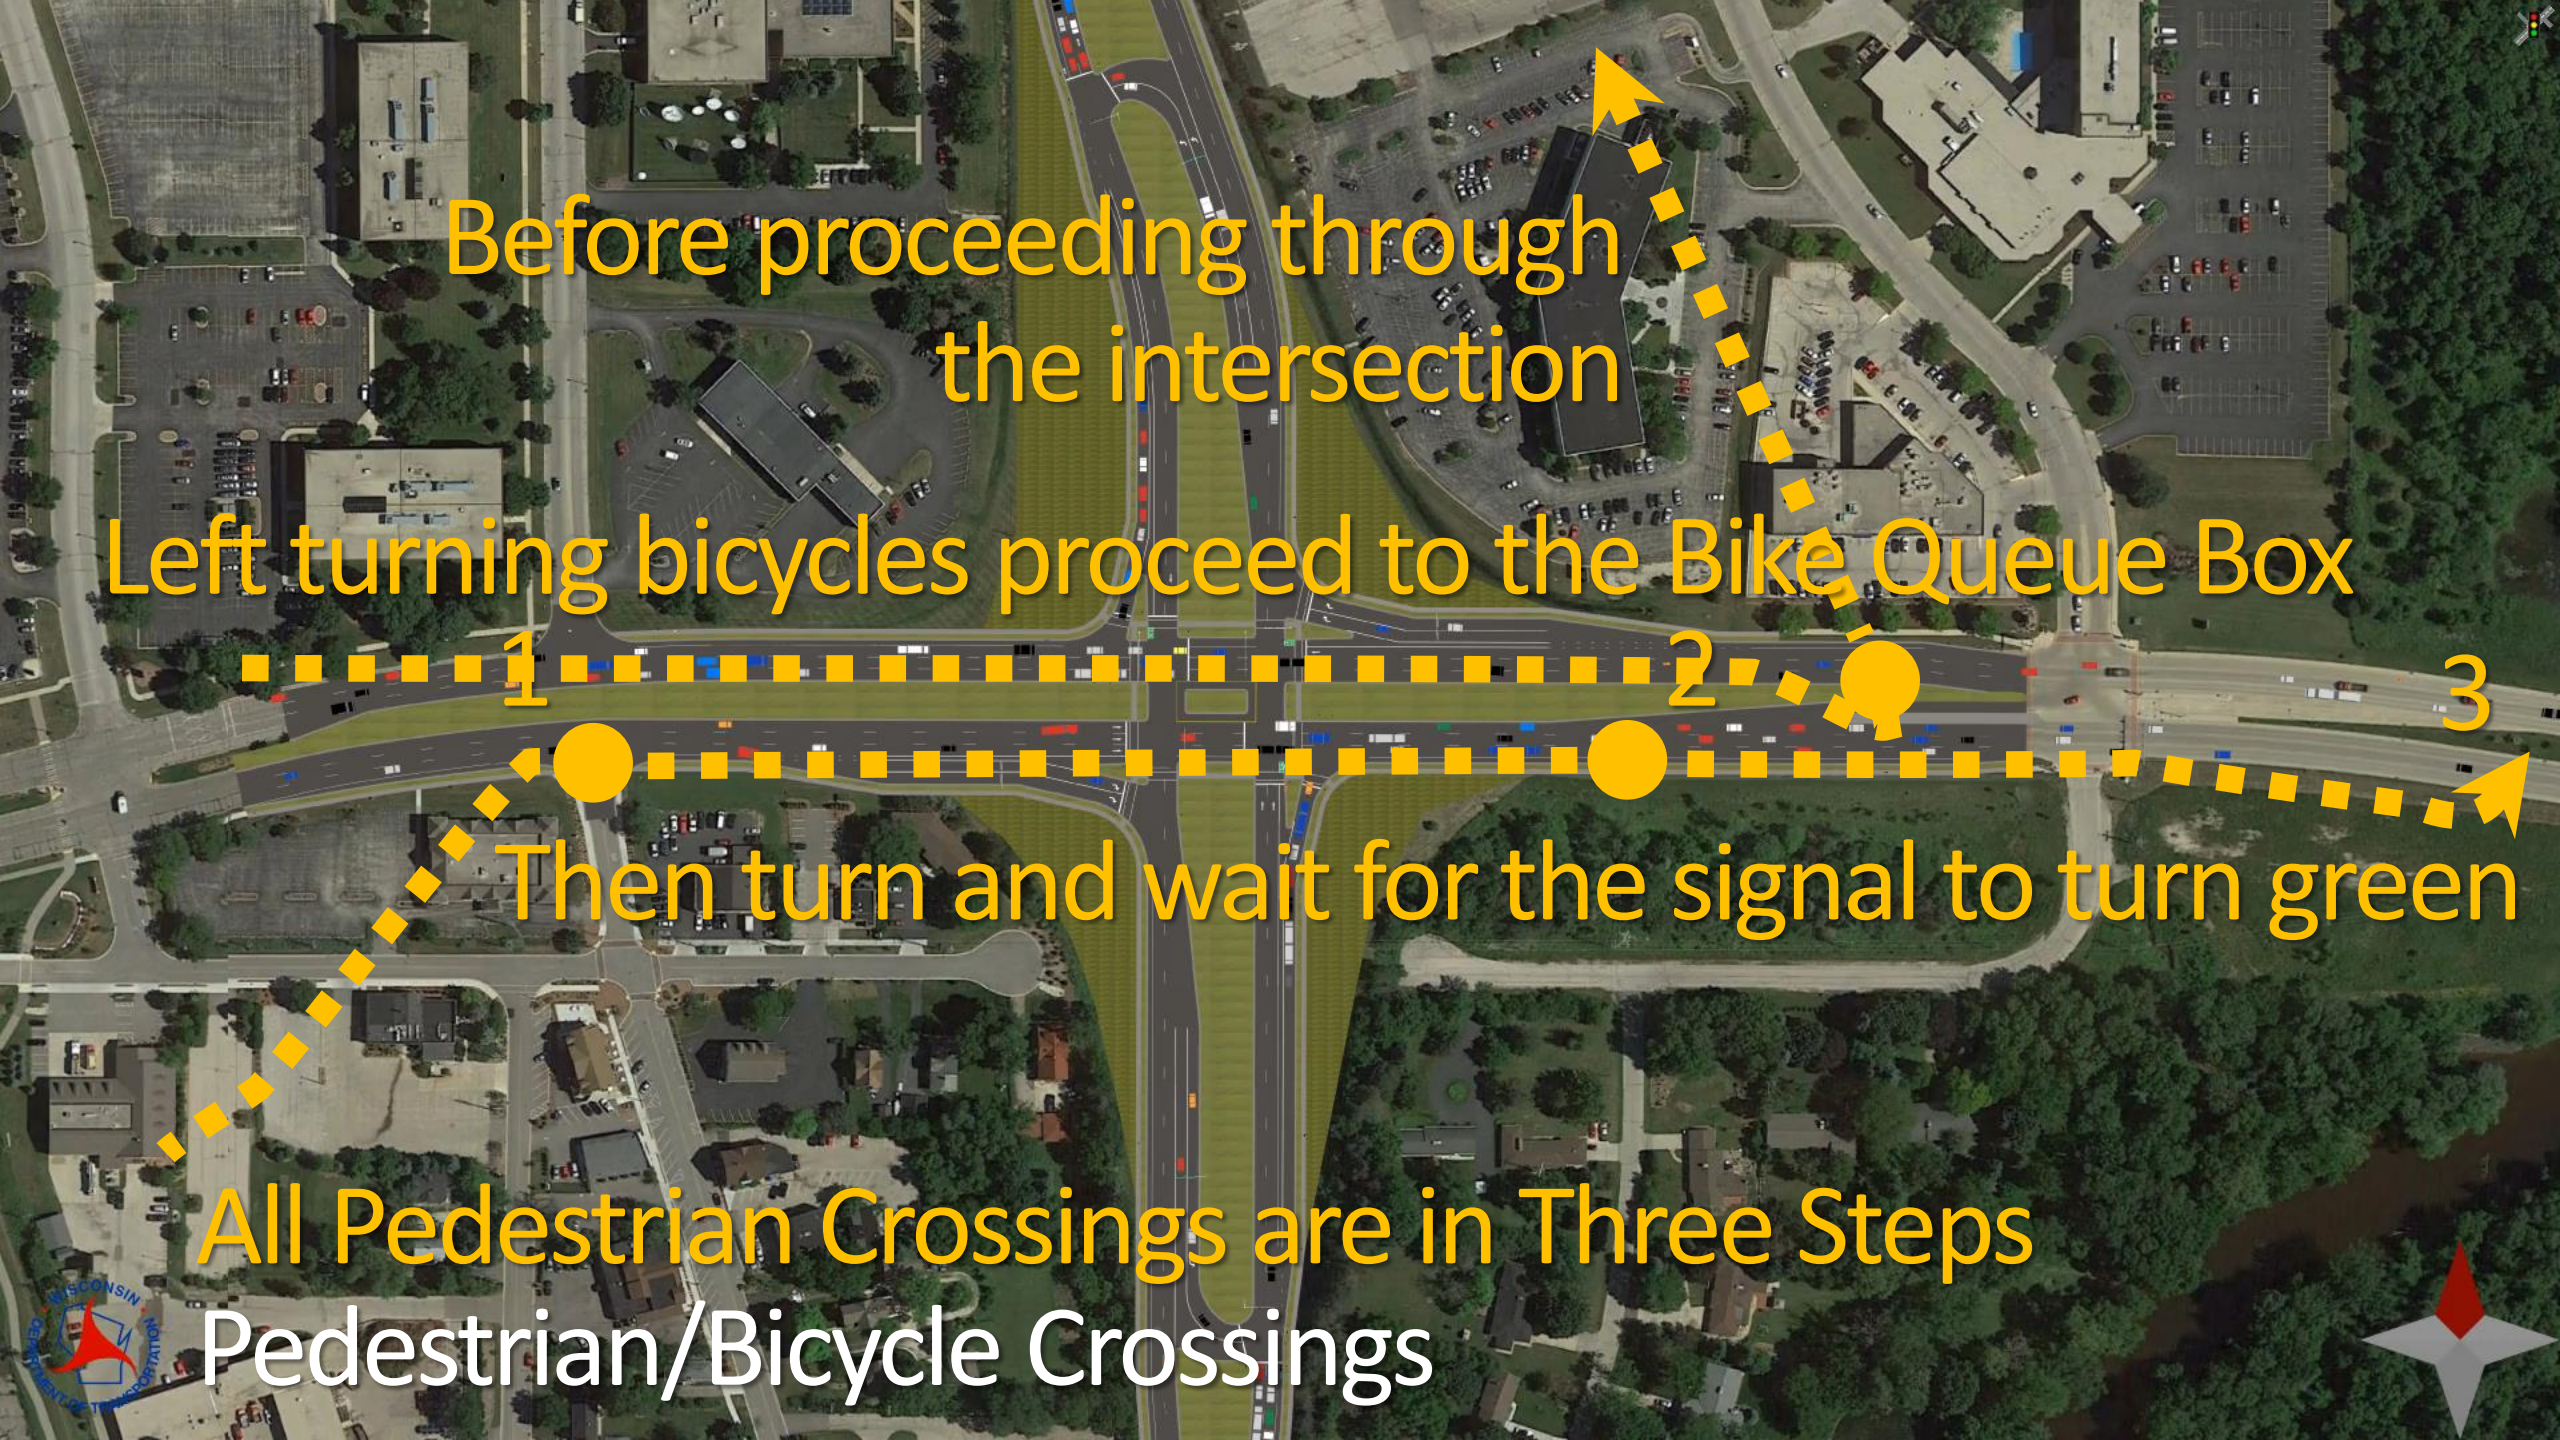
Follow the yellow car
Northbound Left Turns



Follow the green car
Westbound Left Turns

Follow the motorcycle
Southbound Left Turns

Follow the blue car
Eastbound Left Turns



Before proceeding through the intersection
Left turning bicycles proceed to the Bike Queue Box
1
2
3
Then turn and wait for the signal to turn green
All Pedestrian Crossings are in Three Steps
Pedestrian/Bicycle Crossings

Thank you for watching

- Please direct any questions on these simulations to the Public Involvement Meeting staff
- We want to hear from you. Please fill out a Public Involvement Meeting Comment Form. You can find the form attached to your handout.
