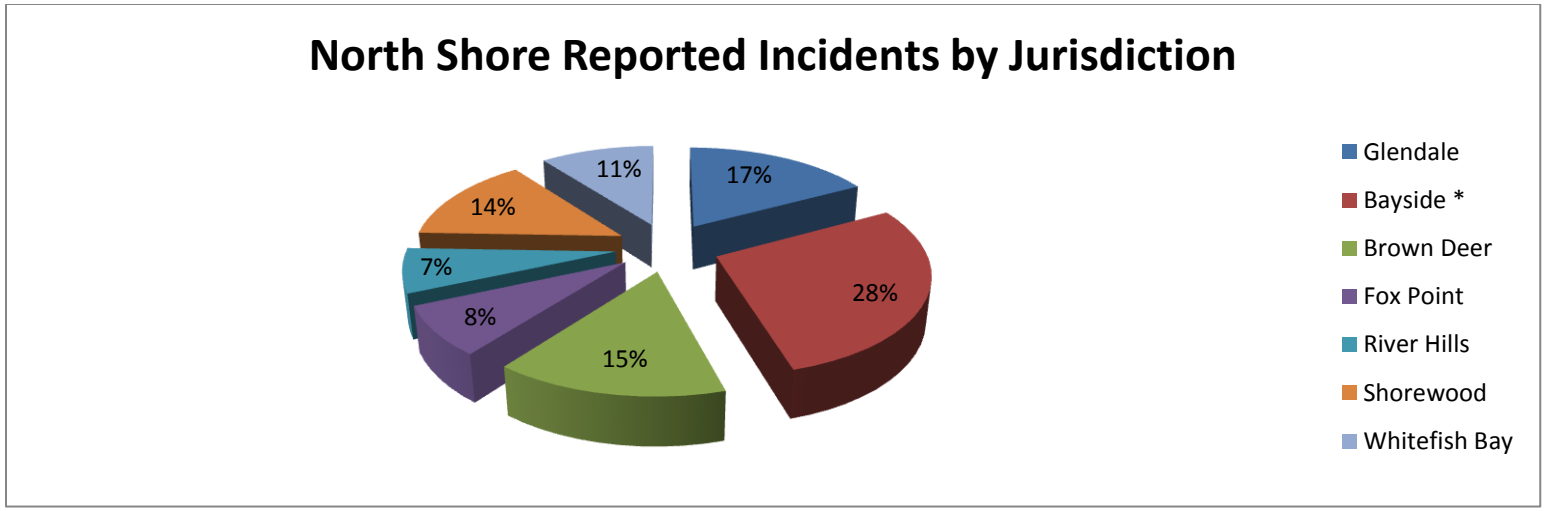
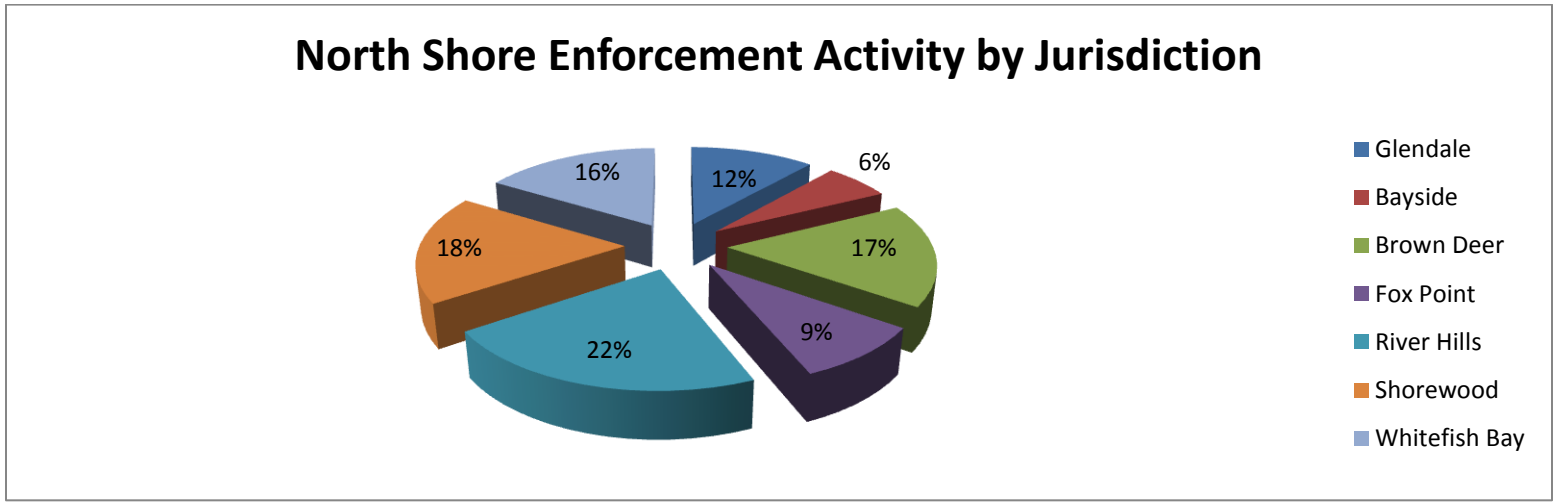
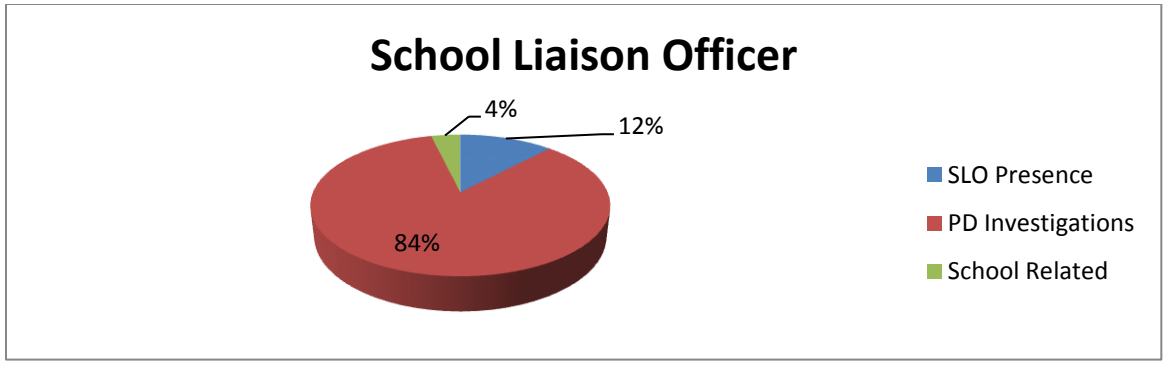
General Calls for Service – Complaints that typically do not require a police report and/or those that occur infrequently enough that they can't be assigned to one of the listed categories. Examples would be disabled vehicles, death investigations, code violations, etc.

Thefts – Includes Retail Thefts which account for approximately 55% of the total theft complaints.



* 70% of Bayside Reported Incidents are associated with the Communication Center





The Department has one Investigator that also serves as a School Liaison Officer (SLO). The above graph depicts the percentage of time the SLO spends performing the various duties assigned to them.

SLO Presence – Time the officers were physically present in the school (includes time instructing DARE).

School Related – Time spent on school related investigations/reports where the officer was not physically present at the school.
