MANAGER'S OFFICE

BROWN DEER ALL-AMERICA CITY SKIT PRESENTATION & ICE CREAM SOCIAL

SEPTEMBER 23rd at 6:00pm

Come and join us at the **Novak Family Fieldhouse** for a viewing of the skit performed in Denver which led to Brown Deer winning the All-America City Award! After the showing there will be an **ice cream social plus free tickets** to the Homecoming Football Game taking place that night!

BROWN DEER NEIGHBORHOOD WATCH

Will be having their quarterly meeting at Village Hall, Earl McGovern Room on **Wed., Sept. 21st at 7:00pm**. The meeting is open to the public, and all are welcome to attend. No need to call ahead.
If anyone has any questions they can contact Dale Gass at 414-355-3917 or at Dale.BDNW@gmail.com

COMMUNITY SERVICE OFFICE

A Building permit was issued for a new tenant interior build-out per State Approved plans at 9275 N. 49th St.

Firehouse Subs has called for their final inspections & Occupancy for Friday 9/9/16. Grand Opening at the end of September!!

The Zoning & Planning Specialist visited several unregistered properties to determine vacancy, and began re-inspections of registered properties which require quarterly re-inspection while vacant. He also visited a resident to resolve a dispute regarding fencing, and responded to complaints about the noise produced by a local manufacturer. A local lender also began corresponding more closely with the Community Services Department to coordinate the identification and registration of several vacant properties under its trusteeship.

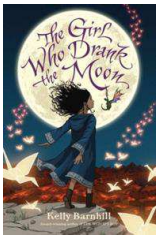
New Materials:



The Girl Who Drank the Moon by Kelly Barnhill
(J BARNHILL NEW) An epic fantasy about a young girl raised by a witch, a swamp monster, and a Perfectly Tiny Dragon, who must unlock the powerful magic buried deep inside her. Every year, the people of the Protectorate leave a baby as an offering to the witch who lives in the forest. They hope this sacrifice will keep her from terrorizing their town. But the witch in the forest, Xan, is kind and gentle. She shares her home with a wise Swamp Monster named Glerk and a Perfectly Tiny Dragon, Fyrian. Xan rescues the abandoned children and delivers them to welcoming families on the other side of the forest, nourishing the babies with starlight on the journey…

And the Trees Crept In by Dawn Kurtagich
(YA KURTAGICH NEW) When Silla and Nori arrive at their aunt's home, it's immediately clear that the "blood manor" is cursed. The creaking of the house and the stillness of the woods surrounding them would be enough of a sign, but there are secrets too - the questions that Silla can't ignore: Who is the beautiful boy that's appeared from the woods? Who is the man that her little sister sees, but no one else? And why does it seem that, ever since they arrived, the trees have been creeping closer?

Recycling Center Hours

The Recycling Center is now on SUMMER hours.

Recycling Center is open
Tuesday & Thursday
12 noon to 8:00pm
Saturdays from 10am to 5pm

For further info regarding the recycling center hours please call the DPW office at 414.357.0120

Weekly Health Tips

Vaccine's for Children

Keep your children healthy during the school year by making sure they are up-to-date on all their vaccines.

Most insurance plans cover the cost of vaccines. If you don't have insurance, or your insurance plan does not cover vaccines, the program may be able to help.

It provides vaccines for children 18 years of age or younger. Call the NS Health Dept. at 414-371-2980 for info.

NORTH SHORE HEALTH DEPARTMENT

Did You Know?

Last week North Shore reported the first dead crow that tested positive for West Nile Virus (WNV) in Milwaukee County. WNV is most commonly transmitted to humans by mosquitoes. Mosquitoes become infected when they feed on infected birds. Infected mosquitoes can then spread the virus to humans and other animals. Fortunately, most people infected with WNV will have no symptoms. About 1 in 5 people who are infected will develop a fever with other symptoms, while less than 1% of infected people develop a serious, sometimes fatal, neurologic illness. While serious illness can occur in people of any age, those over 60 years of age are at the greatest risk for severe disease. People with certain medical conditions, such as cancer, diabetes, hypertension, kidney disease, and people who have received organ transplants, are also at greater risk for serious illness.

The health department recommends the following tips to prevent mosquito bites:

- Limit time spent outside at dawn and dusk, when mosquitoes are most active.
- Apply insect repellant to clothing as well as exposed skin since mosquitoes may bite through clothing.
- Make sure window and door screens are in good repair to prevent mosquito entry.
- Properly dispose of items that hold water, such as tin cans, plastic containers, ceramic pots, or discarded tires.
- Clean roof gutters and downspouts for proper drainage.
- Turn over wheelbarrows, wading pools, boats, and canoes when not in use.
- Change the water in birdbaths and pet dishes at least every three days.
- Clean and chlorinate swimming pools, outdoor saunas, and hot tubs; drain water from pool covers.
- Trim tall grass, weeds & vines since mosquitoes use these areas to rest during hot daylight hours.
- Landscape to prevent water from pooling in low-lying areas.

Last week at the North Shore Health Department

The Sanitarian attended a Regional Food & Drug Administration (FDA) conference in Milwaukee. The conference reviewed current codes & regulations and presented an update of changes as well. The NS Environmental Health Consortium is responsible for inspecting all food establishments (permanent & temporary) in Bayside, Brown Deer, Fox Point, River Hills, Shorewood and Whitefish Bay.

The Public Health Manager attended a workshop on Accreditation by the Public Health Accreditation Board (PHAB). PHAB Accreditation is voluntary, but research has shown that the accreditation process has allowed health departments to partner more effectively with community organizations, health care organizations, and other stakeholders to improve the public's health.

SPECIAL EVENT: The first day of fall, Thursday, September 22nd, is Fall Prevention Awareness Day. Both offices will be offering free fall risk screenings from 9:00 am- 3:00 pm. Call for an appointment.

Upcoming Adult Health Clinics (appointment required)

You are Invited to the "Friends of Brown Deer Park" Launch Meeting

Please join us at the first meeting to help create the new "Friends of Brown Deer Park" Organization.

The Beautiful Brown Deer Park is one of the Milwaukee County parks that does not yet have a Friends group, and it needs an advocate!

Working in cooperation with the Park People of Milwaukee, the Friends group will be an important advocate to enhance & protect Brown Deer Park.

The first meeting will be held at the Park
Wednesday, September 21 at 6:30pm
in the park's Boat House by the lagoon.
7835 N. Green Bay Rd., Milwaukee, WI 53209

The Park People's Executive Director Jim Goulee and a Parks Department representative will join us to help plan our future activities.

Everyone is welcome and please spread the word!
If you have any questions before the meeting, feel free to contact us.

Please forward this notice to anyone you know and organizations you think would be interested in participating.

Let's take care of our parks now for everyone to enjoy!

Thank you!
Jim Farmer and Rob Guilbert
