III CONSIDERATION OF MINUTES

It was moved by Betty Bennett and seconded by Tony Enea to approve the March 3rd, 2014 minutes.
The motion carried unanimously.

IV OLD BUSINESS

None

V PLANS SUBMITTED FOR CONSIDERATION

The following items were on the Agenda for review:

There was no new business for the Board.

Lemberg Sign & Lighting - Brown Deer Library Sign - 5600 W. Bradley Rd.

The representative from Lemberg Sign & Lighting Inc. did not appear. Mr. Piotrowski felt that because there had been so much pre-work done before hand on the design in regards to size, color, materials and placement between the Village, Library & Lemberg Sign, that Lemberg did not need to be present.

The Board reviewed the submission and had no issues with the overall design, dimensions, materials or location. Betty Bennett is also on the Library Board and explained to the Board about the process the Library went thru in their discussion regarding the design of the new sign. The library wanted the new sign to go along with the other new message signs that the Village is putting up around the Village. The Library chose to make their sign design more toward the architecture of the Library. The Board agreed that it was good to have a message board and it is a good compliment to the Library building architecture.

The Board unanimously agreed that the sign style and design and its location were acceptable and approved the submittal.

VII ADJOURNMENT

The meeting was adjourned at 4:12 p.m.
The next regularly scheduled meeting is May 5th, 2014.
