Dear Tom:

Brown Deer's future is now! Our high school graduates will be tomorrow's leaders. Investing in these young people is investing in our future. On behalf of Brown Deer Scholarships, Inc., we invite you to consider a donation to this worthwhile cause.

Brown Deer Scholarships, Inc. awards scholarships to students who demonstrate academic excellence, leadership, citizenship, and personal commitment. Scholarships are awarded to well rounded students; your contribution can help students meet the significant financial investment necessary to pursue higher education. As post-high school education costs continue to increase, our goal continues to be helping students with their first year's tuition.

**Since 1976, we have awarded 1089 scholarships to graduating seniors of BDHS valued at more than \$843,000. Last year we granted twenty-two scholarships, each valued at \$1,100, to the Class of 2013.** As a community, we can be extraordinarily proud of this commitment to education. Brown Deer civic organizations have been steadfast supporters; in 2014, civic organizations contributed \$2,900.

We deeply appreciate the past support of the Brown Deer Middle School PTO. Certainly, when an organization determines how best to use its funds, it's vital to look at the future. The possibility of contributing to the continuing education of Brown Deer High School graduates is an exciting one. As your organization considers fund appropriations, please consider Brown Deer Scholarships, Inc. You'll continue a strong tradition of community support for our young people.

Thank you for your kind consideration!

Sincerely,

Lenore Lillie
