

A Resolution Assessing Service Charges for Recycling
and Yard Waste Collection on Residential Units

Resolution No. 08-24

WHEREAS, in the preparation and finalization of the 2009 Village budget, the Village Board has determined that it is necessary to levy and assess a special charge for recycling and yard waste collection services against all residential units including single-family, duplex, three-family and condominium dwellings; and

WHEREAS, under Sec. 66.0627, Wisconsin Statutes, the Village is authorized to charge a special charge for recycling and yard waste collection; and

WHEREAS, the State of Wisconsin has banned recycling and yard waste materials from landfills within the state, and has mandated that effective methods be implemented by local governments to coordinate the collection and removal of recyclable materials from the refuse stream.

NOW, THEREFORE, BE IT RESOLVED BY THE BROWN DEER VILLAGE BOARD OF TRUSTEES, that the sum of \$101.00 be levied and assessed upon each residential unit including single-family, duplex, three-family and condominium residential dwellings, a local, annual and special charge for current services of recycling and yard waste collection as part of the 2008 tax roll.

BE IT FURTHER RESOLVED, that all qualifying residential units which are exempt on the tax roll shall be subject to such special charge for recycling and yard waste collection.

BE IT FURTHER RESOLVED, that said special charges shall be paid in full on or before January 31, 2008. If not paid such delinquent special charge shall become a lien as provided in Section 66.0627 (4), Wisconsin Statutes.

BE IT FURTHER RESOLVED, that the present practice of requiring all non-residential facilities and properties and multi-family rental dwellings exceeding three units to furnish their own recycling and yard waste collection shall remain in effect.

PASSED AND ADOPTED by the Village Board of the Village of Brown Deer this 3rd day of November, 2008.

Carl Krueger, Village President

Russell Van Gompel, Village Manager
