## Quote of the Week

Nonsense wakes up the brain cells. And it helps develop a sense of humor, which is awfully important in this day and age. Humor has a tremendous place in this sordid world. It's more than just a matter of laughing. If you can see things out of whack, then you can see how things can be in whack.

Dr. Seuss

## North Shore Health Department

- Since the start of the H1N1 pandemic in the spring of 2009, there have been a total of 56 deaths in the state of Wisconsin with 9 of them occurring in the City of Milwaukee. There is currently very little H1N1 activity nationwide but authorities continue to monitor for a third wave of infection. It is anticipated that H1N1 will continue to be the dominant flu strain into next year's flu season.
- Seasonal flu vaccine for 2010-11 will include the H1N1 strain and it has already been ordered for next year. It is recommended that everyone, especially children, get a flu shot.
- The Health Department is starting a new campaign to promote pertussis (whooping cough) immunization of parents, grandparents and all adults (up to age 65) who have contact with a newborn. Please contact the department for more information.

## Recycling Center

Saturdays Only

10:00 AM to 5:50 PM
