

## Upcoming Events

July 4 – Parade/Celebration  
 July 5 – Village Offices closed

## Quote of the Week

Self-reliance is the only road to true freedom, and being one's own person is its ultimate reward.

**Patricia Sampson**

## Village Manager

- On June 21, I participated in the grand opening of Deerwood Crossing, a senior housing complex that I have been working on for close to four years. It is the new building on Bradley Road between Sherman and Teutonia Avenue. Many staff hours were spent to redevelop the former Kohl's grocery store site and this is a positive economic development story. I also expect that in the next few weeks there will be an announcement about a new store opening in the building on Bradley Road on the west side of Sherman.
- I attended the Village Board meeting on June 21. The Board received an update on the Original Village Streetscape project and approved a resolution to honor and recognize the Kass Family for their contribution to cover the cost of the 4th of July fireworks.
- I attended the Brown Deer/Granville Chamber subcommittee meeting on June 22nd, which is planning a Vision Series Luncheon for October 7, 2010.
- The regularly scheduled Department Head staff meeting was held on June 22nd.

## Library

- During last week's rains, we had severe leakage in the area where the interior brick wall meets the ceiling on the south side of the building near the New Books room. Schranz Roofing (they installed the roof) was called and repairs were made on June 23.
- The Summer Reading Programs are off to a great start with 215 participants in the Children's program and 25 in the Young Adult program.
- This week's Theatrical Thursday film is ***The Princess & the Frog***, which begins at 6:00 p.m. in the Community Room.
- Attended the MCFLS Board of Directors meeting on June 21st in which the main topic was the Board's response to Milwaukee Public Library not being in compliance with the state-mandated maintenance of effort (MOE) requirement in regards to their 2010 budget.

---

## Administrative Services

- § 2009 Comprehensive Annual Financial Report (CAFR) issued and filed with GFOA.
- § The Deputy Treasurer/Comptroller attended a workshop hosted by Municipal Treasurers Association of Wisconsin (MTAW) on Status of WI Banks, Analyzing Bank Credit, FDIC Call Reports and Collateral and an update on GASB 54 – Fund Balance.
- § Congratulations to Nicole Theys (Village’s Accountant) on the birth of her daughter, Allison Ruth.

---

## Water

- ◆ Continued the “Big Flush” program in area 4, between Brown Deer Road and Dean Road, and from North 68th Street to North 51st Street.
- ◆ Began work on the 2010 valve maintenance program in the Village. Crews will be exercising main line water valves in the distribution system. The valve maintenance program is designed to ensure water valves operate properly for use in an emergency, and identify problem valves that need to be repaired or replaced. Program will be scheduled to run through the summer months.
- ◆ Operating the Booster Disinfection station, which is increasing the incoming chloramines residual from 1.0 ppm (parts per million) to 2.0 ppm.
- ◆ Tested and rebuilt high school and middle school consumption meters

---

## Community Services

- Reviewed and edited specifications prepared by Kapur & Associates for the West Brown Deer Road at Arbon Drive Intersection Improvements Project.
- Reviewed and requested modification to a plan submitted by Cablecomm to install fiber optic cables to the FIS building, 4900 West Brown Deer Rd. in the vicinity of West Brown Deer Road and Arbon Drive.
- Answered questions from contractors and issued Addendum #2 to the plans and specifications for the Village Park Bike Path and Railroad Crossing Project.
- Met with staff from Mead & Hunt, civil engineering consultants, to discuss their ideas to improve several sections of Southbranch Creek east of North 51st Street.
- Recorded two documents with the Milwaukee County Register of Deeds including a Development Agreement for a garage addition at 8726 North Deerwood Drive and a Certified Survey Map at 6667 West Floral Lane.
- Reviewed development agreements for the Shoreland Church property at 8710 North Deerwood Drive to determine restrictions on future land use due to a potential sale of the property.
- Conducted a re-inspection for occupancy at Terri Lynn’s on Bradley Supper Club and a preliminary final inspection at the JFS Elderly Housing property. There are some outstanding items that have not been corrected on both sites.
- The Building Inspector attended a code upkeep committee meeting.

## Recycling Center

### Summer Hours

Tuesday and Thursdays

Noon to 7:50 PM

Saturdays

10:00 AM to 5:50 PM

A new State electronics law went into effect in 2010 and residents can no longer bring their electronics to the recycling center.

### Weekly Health Tip

WHEN THUNDER ROARS, GO INDOORS!! It's Lightning Safety Week and everyone is encouraged to understand the dangers of lightning to be safe when enjoying outdoor activities. Many victims of lightning strikes fail to seek shelter early enough. Always pay attention to the weather and act accordingly.

## Public Works

- The Village was not impacted by the last two weeks' storms. Sanitary and storm systems have been monitored.
- Met with Roman Electric to review the possibility of utilizing LED street lighting.
- Provided signs and barricades for the Trinity concert event this weekend.
- Have had a couple calls about gypsy moth in the area and spraying.
- Conducting final survey for the 2010 pavement marking work. This work should begin in late July.
- Working with Canadian National Railroad to have their drainage ditch cleaned out from the north end of Fairy Chasm Lane south towards Beaver Creek. The Village has a storm sewer that discharges to this ditch and it has filled up over the years to where it is critical that it be cleaned out.
- Great Lakes continued with testing and sealing sewers in the Village. This work will continue through the summer.
- The department is in the process of converting old sewer video tapes into electronic files and DVD's and surveying manholes for lid replacements.
- Receiving newer information as to the treatment of ash trees for EAB to determine its cost effectiveness and what type of treatment program may or should be established.

## North Shore Health Department

- A staff member attended the Milwaukee County Suburban Coalition meeting on June 21 for the Wisconsin Well Woman Program. Changes in the re-enrollment process and screening history were discussed. Over 100 women have been screened in 2010 which is 51% of the goal. Of those screened, five cases of breast cancer have been diagnosed in suburban Milwaukee County.
- The North Shore Environmental Health Consortium has received 60% of the 2010/2011 licensing fees from community restaurant, pool, and hotel operators. Fees are due by June 30.
- The Wisconsin Division of Public Health completed an evaluation of the North Shore Health Department's emergency preparedness capabilities on June 18th.

---
