

**ATTENTION VILLAGE RESIDENTS:**

**The following streets will be repaved this year as part of the 2009 Street Rehabilitation Program:**

- 1.) N. Cedarburg Road – W. Bradley Road to N. Green Bay Road**
- 2.) N. 54th Street – W. Wabash Avenue to W. Wahner Avenue**
- 3.) N. Grandview Drive – N. Ivy Street to W. Dean Road**
- 4.) W. Brown Deer Road Service Drive – N. 60th Street to N. 64th Street**

**Construction is scheduled to start on N. Cedarburg Road the week of June 22, 2009. Work on the remaining streets will begin within 1 to 2 weeks of the above date.**

**The Village of Brown Deer, as part of our annual street maintenance program, has hired a contractor to repave several streets in the Village this year. This repaving is scheduled to occur within the next several weeks, and the entire process may take several weeks to complete, depending on the weather.**

**The first step in the repaving process consists of grinding up the existing asphalt pavement with a large machine, called a pavement mill, then smoothing out the ground up material to prepare it for the placement of new asphalt. New asphalt will be placed as soon as possible after this procedure, but this may take several days or weeks.**

**The new asphalt will be placed in 2 layers. The first layer is called the “binder” course, and it may be in place for several days or weeks before the final “surface” course is installed. If necessary, just before the “surface” course is laid, liquid asphalt, called a “tack coat”, may be sprayed onto the existing pavement. Please keep family members and pets off this liquid, as it will easily track into homes and damage floors and carpets. The “tack coat” and “surface” course will be installed on the same day.**

**Once the “surface” layer of asphalt is completed, you may remove all stakes, flags, etc. from your lawn and dispose of them.**

**Please call Jim Buske, Engineering & GIS Services Manager, at the number below if you have any questions, comments or concerns, or email at [jbuske@browndeerwi.org](mailto:jbuske@browndeerwi.org).**

**Thank you for your cooperation.**
