Brown Deer Beautification Committee Fundraising Drive

The Brown Deer Beautification Committee has partnered with Flower Power Fundraising for a Fall Bulb Fundraiser. Flower Power has top-quality flower bulbs and plants for our friends and family members to purchase. Also, all orders ship directly to our customers' homes and come with a 100% money-back guarantee.

Here's how the program works:

- A special web page, dedicated to our organization, has been set up by me at the Flower Power website. The page has information about our group, and explains how someone can help us achieve our fundraising goals by making purchases from the Flower Power website.
- For every purchase made, the Brown Deer Beautification Committee receives 50% of the sale price, which counts toward our fundraising goal.

Now here's where you come in! You can help us meet the goal by inviting your friends and family members to visit our web page and support us. Just send them an email to the easy-to-use tool on the Flower Power website. Here's how:

1. Click on this link to go to the Flower Power website where you'll be asked to set up a user account:
<http://www.flowerpowerfundraising.com/i/m/52427/k1j4gzxG514R>
2. Once your account is set up, you'll be asked to enter the e-mail addresses of friends and family that you'd like to invite to support our fundraiser.
3. Finally, after you've entered and verified all the information, just click "Submit" and the Flower Power website will do the rest.

Once you've done your part, Flower Power will send three e-mail invitations on your behalf to each of the addresses during our fundraising campaign. Note: Flower Power will not rent, sell or use these e-mail addresses for any purpose other than promoting our fundraiser.

The success of this season's online fundraiser really comes down to you. The more e-mail addresses you enter, the more successful we'll be. It's that simple! For best results, I recommend you alert your friends and family members that an e-mail about our fundraiser from Flower Power is on its way and encourage them to place an order as soon as they get it.

If you have any questions about the program, please get in touch with me at sandymanning@gmail.com. For technical questions related to the website, call Flower Power directly at 1-877-605-3185.

Regards,
Sandy Manning
