North Shore Health Department

CONGRATULATIONS BRAD SIMERLY!!!

The North Shore Health Department's Sanitarian, was "standardized" by the Department of Agriculture by passing a yearly inspection test.

Water Utility Department

Water Utility is awaiting official determination of the proposed rate increase from Milwaukee Water works. In September the Public Service Commission ruled in favor of the wholesale communities to **reduce** the projected 27% rate increase to a **much smaller** number for the communities that purchase water from Milwaukee. While the exact rate increase is not yet known, the decision by

the PSC is anticipated to save the rate payers in the Village \$100,000 annually from the original rate increase.

Parks & Recreation Department

FALL RECREATION PROGRAMS are still accepting applications!

for Fitness Dance, Cardio & Toning Combo, Strong & Fit, Hatha Yoga, Stress Free Yoga, Zumba, Fit-n-Zen, Indian Cooking Classes, Beginning Mahjong, Women's Volleyball Leagues, Digital Photography Classes, Partner Cribbage Tournament, and Introduction to Cartooning.

DPW/Public Works Department

GOODWILL STORE: The Goodwill project located in the North/West quadrant of W. Schroeder Drive and N. Green Bay Avenue/South 57th is making good progress. All of the site clearing & grubbing has been completed. Current work includes site grading. The estimated project completion date is spring of 2015.

SANITARY SEWER: The Sanitary Sewer Technician is working on routine cleaning throughout the Village sanitary sewer collection system using the newly purchased CJ 1600 jetter unit. Routine sanitary sewer cleaning is mandated by the WDNR and MMSD through the Village's wastewater discharge permit.

STORMWATER: The Stormwater Technician is working on routine street sweeping in the curb & gutter areas. Priority street sweeping is given to the curb & gutter neighborhoods, especially during leaf season, to keep debris from collecting within adjacent storm sewer grates. Please help by clearing any leaves or debris you may see.

TREE-TRIMMING CONTINUES: DPW crews are marking trees for trimming. Additionally, Asplundh, contractor for WE-Energies, has started trimming trees adjacent to power lines throughout the Village.

North Shore Fire Department

The North Shore Fire Department has weekly "Prevention" tips. To get your handout, go to www.nsfire.org/Quick Links/"October is Fire Prevention Month"

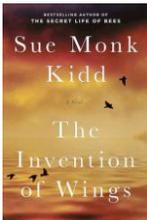

Community Development Department

- The Community Development Director and Zoning and Planning Specialist attended the Wisconsin Economic Developers Association Conference and participated in training sessions on business retention, marketing to site selectors and determining what national site selectors look for when evaluating sites for clients.
- The Community Development Director met with the owners of the Holiday Inn Express and the new Goodwill store development to coordinate landscaping and encroachments as the new development is beginning work around the existing Holiday Inn sign.
- The Community Development director met with the owner of the vacant land north of Fox 6 studios to discuss a new redevelopment idea for the site.

Library - Fall Adult Book Club

Join us on the third Wednesday of September, October and November in the Brown Deer Library's Community Room from 6:30-7:30pm.

Sign up to be part of the group before each session by stopping by or calling the reference desk at (414) 357-0106. Copies of the book will be available for those who have registered. Please read the entire book before the discussion and come prepared to share your thoughts on it.

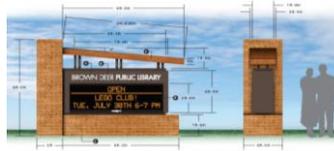

The book for October 15th

"The Invention of Wings" by Sue Monk Kidd

The story follows Hetty 'Handful' Grimke, a Charleston slave, and Sarah, the daughter of the wealthy Grimke family. The novel begins on Sarah's 11th birthday, when she is given ownership over Handful, who is to be her handmaid.

"The Invention of Wings" follows the next 35 years of their lives. Inspired in part by the historical figure of Sarah Grimke (a feminist, suffragist and, importantly, an abolitionist), Kidd allows herself to go beyond the record to flesh out the inner lives of all the characters, both real and imagined.

Library Use in September: Total checkouts have again increased from the previous year! More than 1,000 adult items were checked out this September than in 2013, and almost 500 children's items! This makes a combined total of 16,426 items circulating in the last month!

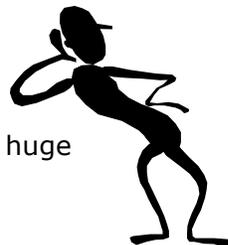

Keep a look out for our new sign!

The library is getting a new sign! It will have an LED display with rotating information for all to see as they pass the library. It will be up and running by the end of the month!

DID YOU HEAR...?

The Village of Brown Deer has a NEW Website!

Take a stroll thru the pages and check it out at www.browndeerwi.org/
We are still adding and editing the content, but it is a huge improvement!!!

Recycling Center Hours (October thru November)

Tuesdays and Thursdays
12:00pm to 6:00pm
Saturdays 10:00am to 5:00pm

Mulch Delivery Available

Mulch is available for delivery in 3-yard (\$55) or 5-yard (\$65) quantities. Orders must be received by Wednesday for Friday delivery. Mulch is free to residents for pickup at the recycling center during regular hours.

Weekly Health Tip

Everyone 6 months and older should get a flu shot.

This is the most important step you can take to avoid the flu and keep your family healthy. Call the North Shore Health Department for clinic times and dates.

For more information visit
www.nshealthdept.org/
