

**BROWN DEER, WISCONSIN
POLICE DEPARTMENT**

NEWS RELEASE

DATE AND TIME: Wednesday, March 25, 2015 @ about 9:15 AM

CASE NO: 15-3334

TYPE OF CASE: Burglary to Residence/Fleeing

PLACE OF OCCURANCE: 8500 Block North 66th Street, Brown Deer, WI

DETAILS:

At about 9:15 AM, an alert resident called the Brown Deer Police Department to report two unknown vehicles parked in their neighbor's driveway and a group of individuals removing items out of the house. Due to the prompt call of the witness, officers were able to respond to the residence and observed both vehicles as they began to flee the scene.

The vehicles fled in different directions with squads in pursuit. One car fled into the City of Milwaukee, but was unable to be located after officers terminated their pursuit due to unsafe speeds which reached in excess of 100 MPH. It was later learned this vehicle was stolen. The other vehicle, also stolen from another jurisdiction, fled into Fox Point and Whitefish Bay. Officers from Brown Deer, Bayside, Fox Point, Whitefish Bay and Glendale worked together to locate the five suspects after they fled from their vehicle which had been disabled due to the deployment of stop sticks. Five suspects ranging in age from 15-17 years old were taken into custody. No one was injured during this incident.

Charges are expected to be filed with the Milwaukee County District Attorney's Office later this week. This is an ongoing investigation and no further information is available at this time.

It is currently unknown if these suspects are related to a number of other daytime burglaries in the Village of Brown Deer. We would like to remind residents to be watchful of any unusual activity and to call the police IMMEDIATELY. The quick response of this witness assisted in the arrest of these five suspects.
