COMMUNITY DEVELOPMENT DEPARTMENT

The Zoning & Planning Specialist inspected the cleanup of a large, vacant commercial property adjoining the Brown Deer Recreation Trail. He also inspected several vacant properties along N. Teutonia Ave. and received and processed new vacant property registration applications for two commercial properties this week.

Notification of a proposed floodplain map revision for Beaver Creek were sent out to property owners along the stream corridor. The floodplain revision seeks to address mapping issues that resulted from a 2008 FEMA update.

The new map features detailed hydrologic modeling from the Southeastern Wisconsin Regional Planning Commission. The maps are being submitted to FEMA this month. Federal review will still likely take about six (6) months.

PARKS AND RECREATION DEPARTMENT

Accepting reservations through September

Weekly Health Tips

August is National Immunization Awareness Month

The Centers for Disease Control & Prevention stresses the following: vaccines protect against serious diseases, these diseases continue to exist & outbreaks can occur, vaccines are not just for children & are recommended throughout one's life.

People of all ages can protect their health with timely vaccination.

Review your immunization record with your primary care provider at each visit.

To view a record on the WI Immunization Registry visit www.dhfwir.org/ click on Public Immunization Record Access.

NORTH SHORE HEALTH DEPARTMENT

Did You Know?

Bike riding is a great form of physical activity and a great way to get around. Unfortunately, accidents do happen and it is important that you are aware of your surroundings. According to the Centers for Disease Control and Prevention, over 900 bicyclists were killed in the U.S. in 2013. Bike riders share the road with other motorists and need to take all the precautions to stay safe while on the road. Follow these tips to ensure bike safety:

- Wear a helmet, regardless of age a helmet will provide protection in case of injury.
- Ride on the right side of the road, with traffic, not against it. Stay as far to the right as possible.
- Use appropriate hand signals and respect traffic signals, stopping at all stop signs and stoplights.
- Make eye contact with drivers. Bikers should make sure drivers are paying attention and are going to stop before they cross the street.
- Young children should be supervised until you're comfortable that they are responsible to ride on their own.

Additionally, when riding at night, be bright and use lights and reflectors. It's also smart to wear clothes and accessories that have retroreflective materials to improve biker visibility to motorists.

To learn more visit: www.cdc.gov/motorvehiclesafety/bicycle

REMINDER

A reminder from the Health Department about Lyme Disease. If you are traveling to areas with higher prevalence of Lyme Disease visit the following websites to get information on ticks and prevention:

www.cdc.gov/lyme/ OR www.dhs.wisconsin.gov/tickborne/lyme/2014data.htm

Last week at the North Shore Health Department

Staff attended the Public Health Nurse Conference sponsored by the Wisconsin Public Health Association. This year's theme was "**Health Equity and Public Health Nursing**".

Presentations focused on creating healthy communities through leadership, knowledge, self-awareness and advocacy. Strategies were identified to guide policies, to create partnerships and to implement health equity in health department plans.

Health department staff attended Glendale's National Night Out, where information on lead exposure was provided. Throughout the summer, we will be sharing lead poisoning information at events in all seven communities, but you can read more about ways to protect your family at

<https://www.dhs.wisconsin.gov/lead/index.htm>.

Staff participated in the **Milwaukee County Breastfeeding Coalitions Community Walk for Breastfeeding and The Big Latch On**. This walk was a celebration of World Breastfeeding Week, beginning at Alice's Garden and ending at the Fondy Farmer's Market in Milwaukee. The North Shore Health Department supports businesses who wish to become Breastfeeding Friendly. Learn more at: <http://www.nshealthdept.org/Breastfeeding.aspx>

End-of-Season Dog Swim

Brown Deer Pond is going to the dogs!

The fee is \$5.00 per dog

Register at the Pond entrance

Dogs are invited to swim at the end of the Pond season

Dates & Times

Mon. August 22nd from 4:00-7:00pm

Sat. August 27th from 11:00am-2:00pm

The Pond is fully enclosed and the perfect spot for your beloved pooch to play, run and swim

The following guidelines must be followed:

- Dogs must be on a leash when entering the Pond.
- Only dogs with an adult or youth age 12 and older may enter the Pond.
 - Individuals may wade waist-deep in Pond water.
 - Balls and soft-thrown toys are allowed. No sticks!
- Individuals must bring a bag and pick up their dog's waste.
 - Only well-socialized and friendly dogs will be allowed.

In addition, donations will be collected for the Wisconsin Humane Society
