IV. Report of Staff/Committee Members

V. New Business Items

Ms. Spaulding reported to the committee that the library staff will be transitioning to take over running the market since the location will be permanently moving to the new community space in 2022.

The committee discussed the market dates for the 2021 season. It was decided that the market will begin June 16, 2021, with the last market on October 27, 2021.

The committee discussed they would like to see the market “back to normal” this season. They would like to have craft vendors, musicians, etc. Ms. Spaulding explained the decision would be made based on what was going on in the community re: COVID-19. Ms. Spaulding confirmed she would take their comments back to library staff so a decision could be made as to allowing more vendors to come back to the market, other than just strictly food/produce vendors that were only allowed during the 2020 market with the pandemic.

It was moved by Ms. Pett and seconded by Mrs. Butler to adjourn at 6:25 p.m. The motion carried unanimously.
