IV. Report of Staff/Committee Members

Explanation of spacing and mask rules and regs.

We divided up to discuss and better understand the village mandate regarding social distancing and mask regulations, what is asked, and that we cannot enforce, only request, and possible solutions to the tent spacing requirements including ensuring we add in additional barricades between stalls to deter people from driving through the market.

Garbage receptacles and Port-a-Johns are already being taken care of.

V. New Business Items

Scheduling Entertainment:

We determined that we wouldn't start the musicians until after Independence Day and that we would be looking at perhaps every other week or so after that. We briefly went over some of those who had submitted requests and it was determined that the market manager would schedule the acts before next meeting.

It was also suggested that picnic tables return especially to make it easier for senior citizens traversing the market and as a spot to sit and eat.

Placing Nonprofit Booths and Crafters:

We briefly covered some of the non-food/non-vegetable vendors and where they would be placed, ensuring that they would have a spot even if it changed locations occasionally throughout.

It was moved by Mrs. Bellin and seconded by Mrs. Butler to adjourn at 6:49 p.m. The motion carried unanimously.
