Chief's Report

Due to the COVID-19 pandemic the Department continues to operate under its pandemic operations policy. Restrictions are being eased and the Department has increased enforcement actions and is participating in traffic grants.

On April 1st, 2021, Brown Deer Officers were dispatched to a report of black smoke in the hallways at the Cherrywood Apartment Complex, 9500 N. Green Bay Road. Upon arrival, officers found a first-floor apartment was fully engulfed with flames and heavy black smoke had filled the entire complex. Officers worked with firefighters to rescue five individuals by ladder from second and third floor windows. The swift response from officers who located trapped residents and communicated their location to fire personnel undoubtedly saved lives that morning. The North Shore Fire Marshal and Brown Deer Police Investigators determined the cause of the fire was a resident who had thrown a lit cigarette butt into the trash can next to their bed. Early estimates are that the fire caused over a million dollars damage. The unit's owner did not have insurance.

The Brown Deer Police Department is scheduled for a Wisconsin Law Enforcement Accreditation Group (WILEAG) on-site assessment May 11-13. WILEAG requires compliance with 242 standards assuring the best police practices are adhered to. Anyone wanting to comment on the department's ability to comply with WILEAG standards may call the Assessment Team at 414-530-0409 on May 12th from 1:00 PM to 3:00 PM.

The Department has one Investigator that also serves as a School Resource Officer (SRO). The above graph depicts the percentage of time the SRO spends performing the various duties assigned to them.

SRO Olig continued to monitor traffic around the schools during morning drop-off. SRO Olig conducted five traffic stops for violations observed in the school zones and responded to six calls for service at the schools.

SRO Olig attended North Shore In-Service training and he completed ALICE Active Shooter Response Instructor Certification training in April. ALICE stands for Alert, Lockdown, Inform, Counter and Evacuate. The training will allow SRO Olig to instruct staff at the schools on the response to active shooter incidents.

School continues virtual instruction on Wednesdays due to COVID precautions.
