- W. Carolann Drive (between N. 67th Street & N. Bethanne Drive)

DPW crews have **completed** re-ditching work at the following locations:

The re-paving contractor, Payne & Dolan Inc., is scheduled to start the roadway re-paving work on Wednesday September 17th. DPW crews will complete restoration once all the re-paving is complete. All roadways will be pulverized, re-graded, and re-paved with asphalt.

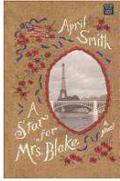

Brown Deer Lawn Service is assisting with topsoiling of the ditches within the re-paving limits. Crews will continue topsoiling ditches thru the month of September. After all topsoiling is complete DPW will hydro-seed.

A reminder to Village residents: All driveway re-paving requires a permit from DPW along with a culvert inspection. Please call DPW at 414.357.0120 with any questions regarding driveway approach paving and permits.
