- *Conjunction with the City of Milwaukee (lead agency)*

WINTER OPERATIONS: The Director submitted the salt bid municipal agreement for the 2017/18 season. The salt bid is administered through the Wisconsin Department of Transportation (WisDOT) for all the communities in Milwaukee County. Last season's (2016/17) bid price was \$60.09/ton.

SANITARY SEWER: The Sanitary Sewer Technician has returned to the office from medical leave, but remains on light duty work. The Stormwater Technician continues to help-out as needed.

The Sanitary Sewer Technician created exhibits detailing the known sewer lateral locations within the 2017 CIPP lining project limits for use by the contractor, Michels.

The Director continues working on the annual CMOM/CMAR reporting to the WDNR and MMSD. The Village holds a wastewater permit with the WDNR and annual reporting on the maintenance activities for the year is required to be submitted by June 30th.

STORMWATER: The Director met with the President of the Donges Woods Homeowners Association (HOA) to discuss a drainage issue at Elm Court and N. Carlotta Lane.

The Mechanic is performing maintenance on the street sweeper this week, week of June 12th.

The Stormwater Technician and Operations Supervisor are re-building a storm sewer catch basin on the west side of N. Arbon Drive immediately south of W. Brown Deer Road/STH 100. The work should be completed this week, week of June 12th with asphalt and concrete restoration later in the summer.

The Director submitted the annual WDNR stormwater report and MMSD Chapter 13 stormwater report. Annual reports are required to each agency detailing the Village's stormwater activities for the year and the Best Management Practices (BMPs) implemented for water quality mitigation as required by the Village's permit.

The DPW crew installed three (3) culverts for residents who pulled driveway/culvert permits during the week of June 5th. **REMINDER:** All culvert replacements and driveway approach paving work requires a permit. Culvert replacements are completed in-house by DPW crews ahead of the residential driveway approach paving. Please contact the DPW office for more information.

BEAUTIFICATION/FORESTRY: The remaining summer helpers started the week of June 8th and are working on cleaning out planting beds along with adding new mulch throughout the Village.

The Summer helpers are out picking median trash and litter as time allows.

STREETS & TRAFFIC: The Village's paving contractor, MJ Construction paved patches at the water main break locations and other patch locations on Tuesday and Wednesday (June 6th and 7th).

Cracksealing work on various Village roadways was completed the week of June 5th.

Crowley Construction has started the annual pavement marking re-painting throughout the Village. This week, week of June 12th, the crews started re-painting stop bars, crosswalks, and bike symbols.

REFUSE AND RECYCLING: The Recycling Center is on summer hours for the month of June. The Recycling Center is open on **Saturdays from 10am to 5pm and on Tuesdays & Thursdays from 12pm to 8pm.** For further information regarding the recycling center please call the DPW office at 414.357.0120.

PARKS & RECREATION: DPW repaired a broken pipe at the pond on Monday, June 5th.
