The regularly scheduled Board meeting was held on Monday, June 19th. Three (3) items were on the agenda. The Board approved banning the use of coal tar sealants for asphalt pavement. The Board also approved the annual Compliance Maintenance Activities Report (CMAR) for the sanitary sewer collection system and the annual stormwater maintenance activities report. Both reports are submitted to the Wisconsin Department of Natural Resources (WDNR).

The Village was notified we were successful in securing a stormwater grant from the Fund for Lake Michigan in the amount of \$50,000 for the Beaver Creek naturalization project between Village Park and N. Green Bay Road/STH 57. The project will include naturalization by removing the concrete channel and restoring with river stone, streambank stabilization, and native plantings. The project will be designed this summer fall and constructed during the summer of 2018.

WINTER OPERATIONS: The Director submitted the salt bid municipal agreement for the 2017/18 season. The salt bid is administered through the Wisconsin Department of Transportation (WisDOT) for all the communities in Milwaukee County. Last season's (2016/17) bid price was \$60.09/ton.

SANITARY SEWER: The Sanitary Sewer Technician has returned to the office from medical leave, but remains on light duty work. The Stormwater Technician continues to help-out as needed.

The Sanitary Sewer Technician created exhibits detailing the known sewer lateral locations within the 2017 CIPP lining project limits for use by the contractor, Michels.

The Director continues working on the annual CMOM/CMAR reporting to the WDNR and MMSD. The Village holds a wastewater permit with the WDNR and annual reporting on the maintenance activities for the year is required to be submitted by June 30th.

STORMWATER: The DPW crew is working on some corrective action stormwater pipe burial to improve drainage along the west side of N. 60th Street between Fairy Chasm & Cloverleaf.

The Director submitted the annual WDNR stormwater report and MMSD Chapter 13 stormwater report. Annual reports are required to each agency detailing the Village's stormwater activities for the year and the Best Management Practices (BMPs) implemented for water quality mitigation as required by the Village's permit.

REMINDER: All culvert replacements and driveway approach paving work requires a permit. Culvert replacements are completed in-house by DPW crews ahead of the residential driveway approach paving. Please contact the DPW office for more information.

BEAUTIFICATION/FORESTRY: The summer helpers are working on cleaning out planting beds along with adding new mulch throughout the Village. The crews mulched and cleared out planting beds on Brown Deer Road from the eastern limits to N. 51st Street and on N. 51st Street between Dean & Wahner.

The Summer helpers are out picking median trash and litter as time allows.

STREETS & TRAFFIC: Crowley Construction has started the annual pavement marking re-painting throughout the Village. The crews started re-painting stop bars, crosswalks, and bike symbols.

REFUSE AND RECYCLING: The Recycling Center is on summer hours for the month of June. The Recycling Center is open on **Saturdays from 10am to 5pm and on Tuesdays & Thursdays from 12pm to 8pm.** For further information regarding the recycling center please call the DPW office at 414.357.0120.

PARKS & RECREATION: DPW crews assisted with
