

WEEKLY DEPARTMENTAL REPORT

COMMITTEE: Village Manager/Board, Finance/Public Works, Traffic/Public Safety, Beautification

PREPARED BY: Matthew S. Maederer, PE, Director of Public Works/Village Engineer

REPORT DATE: October 5th, 2017

GENERAL: The Recycling Center is on fall hours for the month of October. The Recycling Center is open on **Saturdays from 10am to 5pm and on Tuesdays & Thursdays from 12pm to 6pm.** For further information regarding the recycling center please call the DPW office at 414.357.0120.

The 2017 roadway re-paving program continues. Start Asphalt Corp. is the Village's contractor completing the work. The first layer of binder course asphalt has been applied on all streets within the re-paving limits which include N. 51st Street (from Dean to Wahner), W. Darnel Avenue (from Grandview to 60th), and W. Donges Lane (from 67th to 60th). The crew has begun driveway approach paving which will continue into next week. Surface course asphalt paving is scheduled for the week of October 16th.

The DPW crews continue the annual ditch rehab and culvert replacement program on W. Darnel Avenue and W. Donges Lane. Crews are working on topsoiling and hydroseeding the ditches along both roadways. All work should be completed by mid to end-October ahead of the final surface paving.

CONSTRUCTION 2017 PROJECTS:

The 2017 construction projects are as follows:

Roadway Re-Paving Program

W. Donges Lane (from N. 67th Street to N. 60th Street)

W. Darnel Avenue (from N. Grandview Drive to N. 60th Street)

N. 51st Street (from W. Dean Road to W. Wahner Avenue)

- The Village Board awarded the project to Stark Asphalt.
- Work started the week of September 25th with a completion date of end-October.

Ditch Rehabilitation & Culvert Replacement Program

W. Donges Lane (from N. 67th Street to N. 60th Street)

W. Darnel Avenue (from N. Grandview Drive to N. 60th Street)

- Public Information Meeting (PIM) was held on Monday, April 24th at 6:00pm at Village Hall.
- Public Hearing was held on Monday, May 1st at the regularly scheduled Board meeting.
- WE-Energies has completed all of the gas main relay work on Donges & Darnel.
- DPW crews are finishing topsoiling on Darnel and have also started topsoiling on Donges. All topsoiling and hydroseeding should be done by mid-October.

2017 Water Main Relay

N. 51st Street (from W. Dean Road to W. Wahner Avenue)

- The Village Board awarded the project to MJ Construction.
- Work began on Monday, July 10th and was completed week ending September 1st.

2017 Sanitary Sewer CIPP Lining Project

Cured In-Place Pipe (CIPP) Lining/Rehabilitation at the following locations:

1. N. 51st Street (Dean to Brown Deer Road)
2. W. Brown Deer Road (N. 51st Street to N. Deerbrook Trail)

3. W. River Lane (N. Deerbrook Trail to N. 43rd Street)
4. N. 43rd Street (W. River Lane to the N. Deerwood Drive easement)
 - The Village Board awarded the project to Michels Corp.
 - Lateral televising was completed the week of June 26th. Prep work for the CIPP lining was completed on Friday, August 11th.
 - Mainline lining began the week of September 18th (overnight work hours).
 - All lining work will be completed by end-October.

Coordinated Project

W. Bradley Road (from N. 76th Street to N. 66th Street)

- Roadway Re-Paving
- Base patching was completed during the month of May
- The railroad crossing work at the 7200 block of Bradley should be complete by the end of September.
- Concrete curb and pedestrian ramp improvements are occurring the week of October 2nd.
- Asphalt paving will occur during the month of October.
- *Conjunction with the City of Milwaukee (lead agency)*

WINTER OPERATIONS: The salt bid for the 2017/18 season was received by the Wisconsin Department of Transportation (WisDOT). The bid came in at \$58.59/ton for all the communities in Milwaukee County. Last season's (2016/17) bid price was \$60.09/ton.

SANITARY SEWER: Great Lakes TV & Seal was in the Village this week, week of October 2nd completing a heavy cleaning of the sewer lines downstream and adjacent to Signicast as the Village works to solve the build-up of material from the plant's effluent. The Village is working with the MMSD and WDNR on a resolution.

STORMWATER: The DPW crews worked on miscellaneous driveway culvert restoration outside of the normal the normal re-ditching culvert replacement program areas while the contractor was paving the binder course asphalt.

REMINDER: All culvert replacements and driveway approach paving work requires a permit. Culvert replacements are completed in-house by DPW crews ahead of the residential driveway approach paving. Please contact the DPW office for more information.

BEAUTIFICATION/FORESTRY: Fox Services was in the Village the week of October 2nd completing weeding and bed maintenance services on planter beds in the medians.

STREETS & TRAFFIC: The Engineering Technician has started the annual roadway rating assessment or Pavement Surface Evaluation and Rating (PASER) which is required every 2-years and the results submitted to the State (WisDOT). All 55-miles of Village owned/maintained roadways will be evaluated and rated.

REFUSE AND RECYCLING: DPW crews picked trash/litter along the medians the week of October 2nd as time permitted. The crew focused on Sherman and Teutonia this week along with Bradley Road.

The Recycling Center is on fall hours for the month of October. The Recycling Center is open on **Saturdays from 10am to 5pm and on Tuesdays & Thursdays from 12pm to 6pm.** For further information regarding the recycling center please call the DPW office at 414.357.0120.

PARKS & RECREATION: No Update.
