Weekly Health Tip

Summer is a great time for cook-outs and picnics. However, it is important to know that raw unwashed produce, hot dogs, luncheon and deli meat, or any product with unpasteurized milk may not be safe for everyone.

These items can be contaminated with listeria, a bacteria which can cause listeriosis. This serious disease primarily affects older adults, adults with weakened immune systems, pregnant women & newborns

Village Feasibility Study – Update

After conducting a Feasibility Study on Brown Deer municipal buildings, consultants from Bray Architects identified the pressing need for major repairs and upgrades to the Department of Public Works Complex.

From this analysis two viable alternatives were presented to the Village Board: 1) Repair the current 1966 Public Works buildings in the Original Village neighborhood or 2) Pursue the construction of a new facility south of the existing Village Hall site.

The Village Board has directed Village staff and Bray Architects to further present these findings to the public. Residents are invited to any of the following events to gain an understanding of the issues and alternatives:

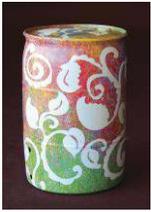

August 26, 2015: 5 – 7:00 p.m.
Public Information Session
Community Center
4355 W. Bradley Road

September 12, 2015: 10 a.m. - 5:00 p.m.
Public Works Building Open House
8717 N. 43rd Street
(Behind the North Shore Fire Department)

by registering online at zapevent.com.

Rainbarrel Notecards Now for Sale!

ONLY A FEW WEEKS LEFT TO SEE THE RAINBARRELS!

Have you checked out all the rainbarrels on display throughout the Village this summer? There are only a few weeks left until the end of August to see the 25 beautiful, custom-decorated barrels featuring the talents of local artists, throughout the Village at businesses, Village Hall, the Pond and the Brown Deer Library. Printed brochures featuring photos of all the rainbarrels, artist and sponsor names, and viewing hours can be picked up at each location.

After the rainbarrel display closes at the end of August, the barrels will be auctioned off at a special Gala at Tripoli Country Club on Sunday, September 13, from 3-6 p.m. Meet the artists, view the gorgeous rain barrels and bid on your favorite. Enjoy delicious appetizers and the camaraderie of friends and neighbors as we see the rainbarrels all together for one last time! Proceeds from the rainbarrel public art event will be held by the Brown Deer Foundation for donation back into the community.

“Roll Out The Barrels!” is a unique public art event presented by the Brown Deer Foundation, with additional sponsor support from Badger Meter, FIS Global, Wheaton Franciscan Healthcare and the Milwaukee Metropolitan Sewerage District (MMSD). The Village of Brown Deer Department of Public Works and the School District of Brown Deer also provided help with the event.

Special note: Don't forget to purchase your pack of rainbarrel notecards at the Park and Recreation Department inside Village Hall. A great gift idea and what a super way to commemorate the event! Notecards will also be sold at the Gala in September.

Every Wednesday from 9:00 am – 6:00pm until October 28, 2015
