- EMG/Municipal Court/5:00pm (Juvenile Return Cases Only)

July 20th

- Village Park / 5:00pm "Night Out for Justice"
- Village Park / 6:00-8:30pm Community Vibes Concert #3

"Quotes of the Week"

"We are here to heal, not harm. We are here to love, not hate. We are here to create, not destroy."

Anthony Douglas, Manager - Village Hall Office

Remember, it didn't start with gas chambers. It started with politicians **dividing** the people with "us vs them." It started with **intolerance** and **hate speech** and when **people stopped caring**, became desensitized and turned a blind eye.

The Brown Deer Community invites you to join the **"1.5K Walk for Responsible Driving" Event** Wednesday, July 27th at 6:00pm at Village Park

COMMUNITY DEVELOPMENT DEPARTMENT

The Community Services Department made final inspections at the new Lighthouse of Brown Deer. The building & site work is nearly complete.

Development Director and Village Manager met with the Colliers group to discuss market analysis results and identified potential local and national retailers for outreach efforts based on survey and data results.

The Zoning & Planning Specialist is working with the Community Development Director and Village legal counsel to improve implementation of the Vacant Property Registration Ordinance in regards to vacant properties that do not contain residential or commercial structures of any kind. The Community Services Department is also working to clean up a vacant commercial property along the Recreation Trail, investigating complaints of home occupation codes, and addressing noise complaints directed at a local manufacturer.

Community Vibes Concert in the Park # 3

Saturday, July 27th
from 6:00–8:30 pm

"The Cheap Shots" will be performing

Saturdays from 10am to 5pm

For further info regarding the recycling center hours please call the DPW office at 414.357.0120

Weekly Health Tips

Exposure to bats can be worrisome.

Bat bites cause limited injury and therefore can be difficult to detect.

Any person with direct bat contact or who might be unaware of bat contact (for example, awakening with a bat in the room) should undergo evaluation for rabies exposure.

Rabies is preventable if treatment is started quickly after an exposure and before any symptoms appear.

NORTH SHORE HEALTH DEPARTMENT

Did You Know?

The U.S. Consumer Product Safety Commission estimates that each year nearly 300 children younger than five drown in swimming pools and spas and an additional 4,000 children that age go to hospital emergency rooms due to submersion injuries in pools and spas. It's not just full sized pools, either. From 2005 to 2008, submersion fatalities associated with portable pools averaged 35 deaths each year for children 4 and under. Midsummer is a great time to remind parents and caregivers that cooling off in a swimming pool or spa also means taking vital steps to ensure children are staying safer in and around the water. This year, the Pool Safety campaign is hosting its third annual Pool Safety Pledge Week from July 18-24—a week dedicated to reminding all adults and children to take the Pool Safety Pledge and adopt simple safety steps to save lives in and around pools and spas every day.

You can Pool Safely by adopting extra safety steps:

- Make sure kids learn to swim
- Properly fence all pools
- Always watch kids in and around the water
- Stay away from drains
- Know life-saving skills

To sign your own Pool Safety Pledge, visit <http://www.poolsafely.gov/pledge/>

Staff had the mid-year review of our Maternal and Child Health grants with the State. This year the NSHD is focusing on two objectives pertaining to Maternal and Child Health. The first focuses on Adolescent Suicide, and we are coordinating and facilitating evidence-based suicide prevention practices with community groups such as REDgen. The second is supporting workplaces to become breastfeeding friendly, and we are working with the Milwaukee County Breastfeeding Coalition to develop a program to support and recognize North Shore businesses in doing so.

Public Health Nurses assisted with the North Shore Fire/Rescue's first Safety Camp, held at Parkway School in Glendale. They did a session on Pedestrian Safety. Campers maneuvered through an obstacle course with and without distractions such as playing a video game or reading a book. This experience demonstrated how devices make people unaware of their surroundings and put them at risk for falls, running into objects, or getting hit by moving obstacles.

Upcoming Immunization Clinics (appointment required)

Tuesday, August 9th from 10:00-11:00am (Brown Deer)

Thursday, August 11th from 3:00-4:30pm (Shorewood)
