# Industry Partner Breakfast Hosted By BDHS

By Thomas J. McKillen

Brown Deer High School hosted the second annual Industry Partner Breakfast, Dec. 2, which included a tour of the shop area and a presentation by Craig Griffie, who teaches the Civil Engineering and Architecture course at Brown Deer.

For technical education, an Introduction to Woods course teaches students tool safety so they can get comfortable using equipment such as a table saw.

"That is a monumental task in some cases, but we can do it," Griffie said. "By the end of the course, students are coming in, setting it up, checking their measurements, and using the tool safely. It's exciting to see these kids get excited about power tools."

In addition, the school offers two construction courses and an Advanced Woodworking course taught by Walter Longmire, who has a background in cabinet-making and carpentry. Griffie said the courses are based on the Career Connections curriculum of the United Brotherhood of Carpenters, and are modified to the material needs and facility setup at the school.

"It is my belief that the kids coming out of (the program) are ready for the skilled building trades," Griffie said. He then summarized the Project Lead the Way courses, which

is a national curriculum requiring instructors to attend a course at Milwaukee Area Technical College.

Since the inaugural breakfast, held in the Fall of 2015, students in the school's construction program built the dugouts at the school's baseball field. The new dugouts will be ready when the Brown Deer baseball team begins to play this spring. Griffie noted that students in the class showed up at 7:55 a.m. each day.

"We hold kids to industry expectations," Griffie said of the construction courses. "They need to be there on time, with their boots and hard hat on, ready to work when the bells rings. The kids grasped it, they really bought into it, and it was fun to see them engaged at the level that I've never seen before."

Also since 2015, Brown Deer has joined the Building-2-Learn consortium, in which students graduating from the high school program receive a skilled trades career itinerary certificate, which Griffie said was a "skills-based portfolio."

"When the kids graduate from this program, they can say to employers, 'These are the skills I learned.' It's more than 'What classes did I take?'" Griffie said. He further explained that instructors from the Carpentry Training Center are co-evaluating students, to calibrate the school grading scale with the industry.

"I'm looking for more ways to invite industry people into our shop to work along with the students, because we want to prepare them for real employers," Griffie said.

Since the first breakfast, Griffie said he heard requests from people in the industry for "character education" as part of the courses.

Griffie asked, "What is the biggest thing employers need out of students to be good entry-level employees?" Employers said, "Teach them to show up on time, ready to work."

In response, the school created "The Skilled Trades Way" as a character touchstone in the technical education classes. Griffie said that 20 percent of a student's final grade is based on character points, such as showing up on time and ready to work, developing interpersonal skills, operating equipment safely and efficiently, and finishing the job on time and according to specifications.

"You can be the best carpenter here, but if you show up late every day, you don't have integrity about

your actions. So guess what? There's no way you're getting an A. We grade on both hard skills and soft skills and the goal (is) when students are done in class, they can walk across the stage knowing they are ready for an apprenticeship program after they graduate," Griffie said.

Looking ahead, the school is interested in school apprenticeship positions and developing a manufacturing program. Griffie said he would want to get a group of manufacturing professionals together to commit time to the program. He wants to develop the program so it meets entry-level employee requirements.

Griffie added that the students "are dying to work with

metal. They see that shop out there and they are begging to get in there."

In the youth apprenticeship program, the school will set up the students' schedules so they can begin work by noon. The employees are committed to hiring the students for 450 hours of work over the course of the school year, Sept. 1 through August 31. A mentor will be needed for the students at the business.

Griffie said that two students have been placed this year at Vector Technologies through the Youth Consortium. Next year, the school will be placing around 15 students in various Youth Apprenticeship fields.

At the end of the presentation, Griffie thanked the community and the business leaders who stopped by for a close-up look at the technical education program.

"The support is awesome and it's so good to have you here," Griffie said. "I'm grateful you guys came."

Joe Schmidt of Trane Company spoke on behalf of the Brown Deer School District's efforts to link students with the needs of local companies and industries.

"Brown Deer has been transformational in the area of STEM (Science, Technology, Engineering and Math) and project-based learning in the state. I've been excited to be an industry partner with them for five years in various capacities," Schmidt remarked.

## School Report Cards At-A-Glance

★ Accountability report cards were released this past week in accordance to Wisconsin Act 55 in 2015-2017 state budget.

★ A School Report Card is a "snapshot of performance" based upon state assessments, student engagement, and priority areas of: achievement, growth, closing gaps, and college/career readiness.

★ While we were pleased with the results (best scores in our history) we continue to monitor student progress over time using multiple measures to best understand our students' overall achievement and growth.

★ The School Report Cards (SRC) utilize calculations from multiple years of data.

# How International Tests Help Our Holistic Approach to Global Education

By Deb Kerr - Superintendent

Shakespeare famously wrote, "All the world's a stage, and all the men and women merely players: they have their exits and their entrances." Imagine if Shakespeare had known that individuals would eventually be able to access the world stage with just a few clicks on a screen. City dwellers can be transported to rural villages in Tanzania or Mongolia through video conferencing and virtual reality. Our students need to be ready to embrace the diversity;

technology; and, perhaps most importantly, the changes that increasingly define our contemporary society.

Our school district in Brown Deer, Wisconsin, a first-tier suburb of Milwaukee, is one of the most racially, ethnically, and socio-economically diverse districts in the state. In many ways, the district is a microcosm of both our heterogeneous Milwaukee community and our broader global society. This diversity is something we celebrate and view as a powerful educational opportunity. We feel we must spearhead solutions to address systemic issues that prevent access to a global education. To this end, we

made an early commitment in 2011 to provide our 1,600 students with an educational experience that would help them become global-ready graduates by the time they leave our high school. As a result of this ongoing commitment, every member of the Brown Deer High School class of 2016 graduated ready for post-secondary experiences based on their attendance, grade point average, local and state assessment scores, and commitment to learning.

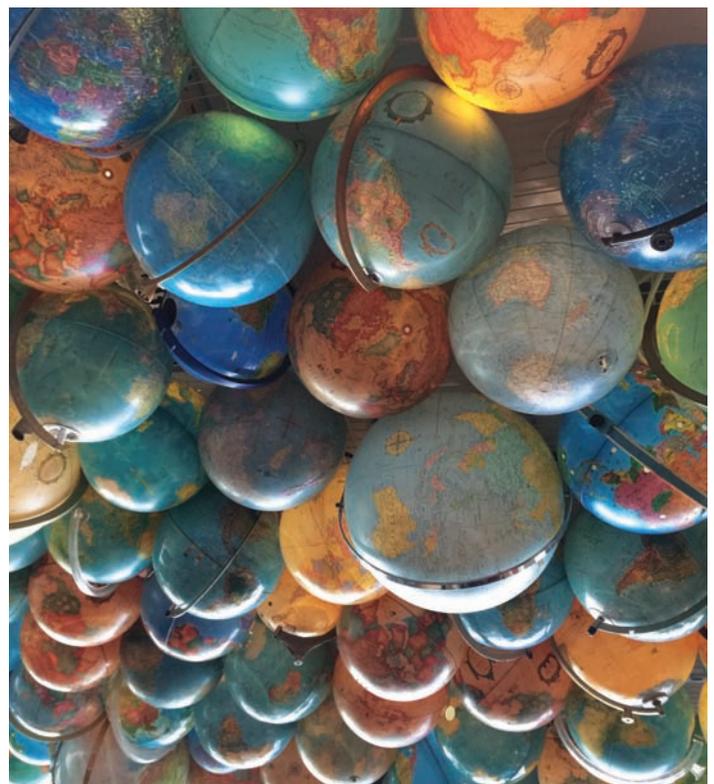

## Woven Throughout

One of the defining features of our approach to developing global-ready graduates is its holistic nature. We do not treat global education as a separate subject or as a

single unit or module that has a strictly defined place within the broader curriculum. Rather, our philosophy is to view global education as an integral dimension of the overall educational experience. This means that even core subjects are infused with learning opportunities that emphasize a wide range of perspectives and skills. All students in English language arts classes read literature deliberately selected to expose them to a variety of cultures and new ways of seeing the world. 10th grade students, for example, are currently reading *The Kite Runner* by Khaled Hosseini. In our STEM classes, we intentionally emphasize problem-solving, collaboration, and technological skills. Students are exposed to technology in the elementary grades, and 9th graders complete a digital competency course designed not only to explore current and emerging technology tools but also to learn how to use technology to improve communication skills.

## An International Mirror

Importantly, our holistic approach to global education extends to our efforts to understand student performance. For the past two years, we have administered a new assessment based on the international PISA assessment from the Organisation for Economic Co-operation and Development (OECD): the OECD Test for Schools. This test measures student performance in three areas—math, reading, and science—and includes a survey dimension

that assesses how our students perceive their school climate and educational experience. From the two times we've administered the OECD assessment, we've gained incredible insights. In fact, we've used the results to drive significant shifts in our instructional approach across the subject areas

tested. Check out this video for the complete story: <https://vimeo.com/201921001>

In conclusion, our students are part of a dynamic school culture that is defined by its diversity and its willingness to embrace varied ways of looking at the world. Helping our students see what is possible enables them to leave school with open minds, unafraid of what they might find. This is one of the true goals of global education. All students, not just the wealthy or most privileged, deserve to have worldly experiences that will influence and expand their perspectives as global citizens—and maximize their potential. All the world's a stage, and in Brown Deer, we work to ensure that our students are ready to play a dynamic role in a global arena.

# Mike Novak Retires After 34 Years in Brown Deer

Mike came to Brown Deer in the summer of 1979 and has been a Brown Deer Falcon for the last 34 years. Mike started his career as a physical education teacher and a coach. In his first year, he only taught 80% but credits the teaching staff at that time for his success. He learned so much in his first year from the staff which exemplifies a "Who's Who of Teachers" in Wisconsin. He also taught business and accounting prior to becoming the district's athletic director in 2000. Mike coached football, basketball and track during his tenure.

The Athletic Director position was a position Mike was hesitant to take in the beginning because he so enjoyed being in the classroom and working with students. He became an administrator and had to learn to balance the needs of students, parents, and the community. One of his shining moments for Brown Deer is that he strived to give students the ability to realize their potential in athletics.

Mike has worked under three different superintendents and four different principals but his outstanding leadership has been consistent throughout this time. Novak made Brown Deer his home; his sons attended Brown Deer and are still active members in the community. In 2013, as a surprise to him and his wife, Jeanne, the Novak Family

Field House name was added to the Brown Deer Middle/High School with the addition of a state of the art field house.

Mike has been instrumental in working with the Athletic Booster Club to establish the Brown Deer-Granville Athletic Hall of Fame with its inaugural members being named in September of 2014. The Athletic Hall of Fame inductee classes allows Brown Deer's current students to see the great things that both recent and distant alumni have accomplished while at Brown Deer. The plaques are displayed prominently to help motivate the athletes of today and the future.

We would like to thank Mike Novak and his family for creating a legacy for our scholar athletes and for unconditional love of our Brown Deer community. There is no doubt that Mike Novak has left an indelible mark on the district and our Village. It is difficult to imagine the athletic office without him next year and we know these will be some big shoes to fill. However, we all know once a Falcon, always a Falcon! We all wish him and his family the very best in their newest adventure of retirement.

## Scholarship Campaign Underway

Since 1977 the Brown Deer community has funded over \$950,000 in scholarships to 1,174 deserving BDHS graduates. For the 41st year, a community-wide appeal is now underway for the Class of 2017. Awards are based on GPA, essay, participation in school activities, community involvement and references.

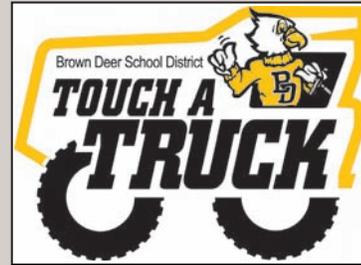

In the past students were required to participate in a door-to-door campaign to solicit funds. The Foundation has determined that requiring students to do so is no longer in their best interest. We encourage all student applicants to participate in school and community activities. Scholarships are used to attend accredited universities and technical colleges. ## Fun Fair

Thank you to all of the volunteers that helped to make the Fun Fair a success once again this year. On Saturday, March 4th, the Brown Deer Elementary Parent Teacher Organization (PTO) hosted the annual Fun Fair at Brown Deer Elementary School. Students played games. Parents could bid on a variety of raffle baskets including everything from toys to mini iPads.

## Cinderella

The Brown Deer Middle/High School presented Rodgers and Hammerstein's Cinderella, February 16-19. The musical was well attended and received great reviews. Young princes and princesses also enjoyed breakfast with Cinderella earlier in the month and were able to meet cast members. The cast performed songs from the musical and cast members were available for autographs and photos.

## School Board

The Brown Deer Board of Education bids a very fond farewell to two of its long standing school board members, Dennis Griffin and

Gary Williams. Dennis Griffin has been a school board member for the past 12 years, starting his journey in 2005. Dr. Gary Williams has been a school board member for 9 years starting his journey in 2007. He has held the office of president since April of 2011. Thank you for your service to the School District of Brown Deer. Your time and dedication has made a difference in the lives of so many children!

## Forms and Fees Days

Forms and Fees days for all student will take place at the Brown Deer Middle/High School on Thursday, August 3rd and Tuesday, August 8th from 12 noon until 8 p.m. Like last year, residency verification may be completed beginning July 3rd at the Administrative Services Center (ASC), located at 8200 N. 60th Street. Completing residency verification in advance will help expedite your Forms and Fees experience. Advance residency verification is required prior to the start of fall sports.

Parents are required to attend Forms and Fees day with their student in order to establish lunch accounts, take school photos, have ID photos taken, review transportation needs, submit immunization records and/or health information and pay school fees or set-up payment plans. Start your school year out right by getting all of these items taken care of before the first day of school to reduce student and parent anxiety.

Items required for residency verification include: review of an original, current lease or mortgage statement, and a current utility bill. Current students will be sent more information regarding registration by the middle of July. More information can be found on the district website at [www.browndeerschools.com](http://www.browndeerschools.com).

## A Community Conversation

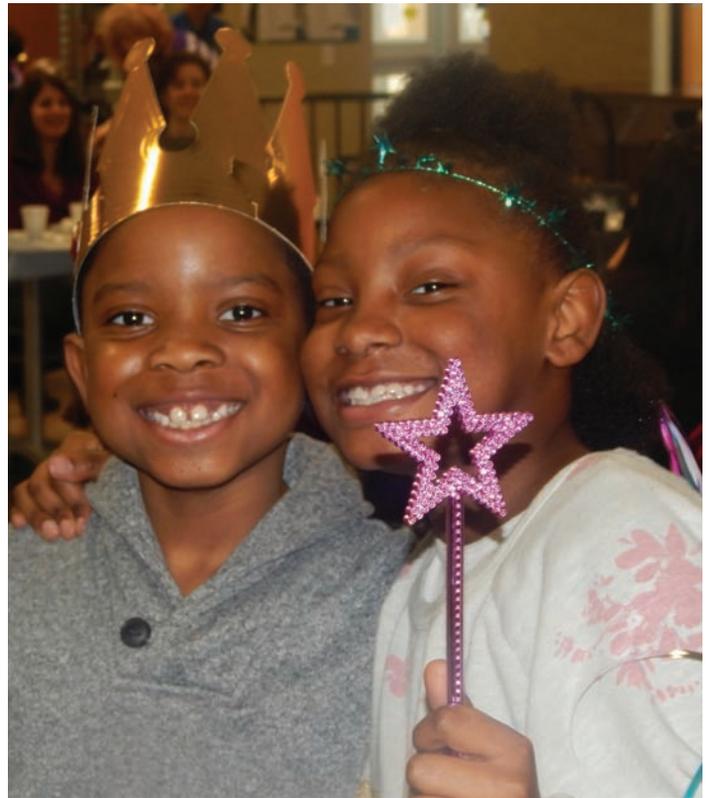

The School District of Brown Deer wants your feedback! The district is working to revise its strategic plan. We would like to hear about what is important to you. Let us know the qualities that you look for in a Brown Deer Graduate. We are also working to get feedback on the following questions:

1. Other than finances, what are the top 3 challenges you see facing the Brown Deer School District in the next 5 years?
  2. If you could change or add one or two things to our educational process or programs, what would that be?
  3. What skills do students need to be leaders of tomorrow?
- Our team will be out at community meetings and public events seeking your input on the questions above. There will also be an opportunity for those attending the Community Conversation on May 13th to give their opinions and help us to shape the future of education within our school district.

# Leaving a Legacy Within the Brown Deer Police Department

In April 2016 Lieutenant Schmitz attended the International Association of Chiefs of Police (IACP) Leading by Legacy Program during which participants were challenged with the question, “How will you be remembered in your career as a law enforcement executive?” The program challenged the participants to develop a plan in which they would leave a lasting legacy for themselves, their organization and their community.

Lieutenant Schmitz rose to the challenge and wanted his legacy to be the creation of an atmosphere inside the police department where employees are proud of the profession and its traditions, and where they strive to make community relationships that are beneficial to one another. In an effort to meet this lofty goal, Lieutenant Schmitz

formulated an action plan and decided to create a multi-functional display case to serve as a focal point inside the department where officers could display imagery of their accomplishments and the department’s history and traditions. Knowing the department had limited funds and that quality display cases run into the thousands of dollars, Lieutenant Schmitz turned to the talents and skills of individuals within the department and Village of Brown Deer Eagle Scout Braden Keebler who was also looking to create a legacy of his own with an Eagle Scout project.

Enthusiasm for the idea grew quickly and had officers reveal hidden talents by rendering sketches and ultimately computer aided drawings of the proposed display case. The designs were provided to Braden and his grandfather, a Vietnam veteran from Antigo. Over the next nine months Braden would venture north to spend time with his grandfather in his workshop and work on the Legacy project. After nearly 250 hours of labor Braden and his grandfather created a piece of furniture that would become the start of Lieutenant Schmitz’s legacy and a showpiece within the Brown Deer Police Department.

On Dec. 31, 2016, Braden and several members of Boy Scout Troop 194 assisted in moving and assembling the display case inside the Department. The Department partnered with the business community and Central Engraving and Manufacturing donated engraved name plates and Lakeside Stoneworks provide etched stone with the Department’s logo. Items on display come from Department archives or were donated by current employees.

The display has become a source of conversation and pride within the organization. It serves a reminder to anyone entering the Department that the values and traditions of the law enforcement profession are dear to us and that we value our community partnerships.

# Take Time to Smell the Roses During the First Brown Deer in Bloom Garden Tour

On Saturday, July 15, from 10:00 a.m. - 4:00 p.m., you will have the opportunity to explore six diverse outdoor environments featuring lush plantings and unique gardening perspectives, all within Brown Deer. A cooperative effort by the Brown Deer Junior Woman's Club and the Brown Deer Beautification Committee, the Brown Deer in Bloom Garden Tour will showcase some of the finest examples from 14 years of the Brown Deer in Bloom Beautification Awards program.

What makes this garden tour different from others in outlying communities is its accessibility.

"All of these gardens have been designed, planted and maintained by the homeowners, not by a professional landscaper," said Julie Cook Quirk, Beautification Committee Chair. "Each one is a gorgeous labor of many years of love, and the homeowners themselves have accomplished it. You can see what they have done and take their ideas home with you for inspiration."

The Tour will show a variety of garden styles and techniques, including shady and heavily wooded; the artful use of conifers with beautiful underplanting; recycling and mulching methods; outdoor living spaces; use of whimsy and garden sculpture; and lots of colorful perennials, annuals and mature planting beds. The homeowner-gardeners will also be available on-site, to answer guests' questions during the Tour.

Carolyn Mitchell, who is leading the event organization from the Juniors' side, added, "The Juniors are excited about the Garden Tour, which will help us raise money to give back to the community. We are sure that it will be a lot of fun for everyone - whether or not you have a green thumb!"

Tickets are available for \$8 each online before the event at [www.browndeerjuniorwomensclub.com](http://www.browndeerjuniorwomensclub.com) and for \$10 the day of the event at each of the gardens on the Tour.

"We are also working on some other ideas to expand the event," said Ms. Quirk. "And I'm trying to convince the members of both groups to do a joint Fourth of July parade float to promote the Garden Tour."

"How many people do you think I can convince to dress like bees?"

MESSAGE FROM THE VILLAGE PRESIDENT

# Spring & Summer Events

Village President Carl Krueger

**T**he Village has numerous upcoming events with the Deer Run kicking things off on April 29th. Interested groups and individuals can register for the deer run on the Village Website. The Deer Run is a fantastic fund-raising event for the Brown Deer Foundation. The Foundation disperses proceeds from the Deer Run to help subsidize other village events. This year's Eat and Greet is scheduled for Saturday, June 3rd and will run from noon to 9:00 p.m. The high school band will kick off the festivities, followed by more music, food, and some unique vendors. The Community Vibes lineup is set and this year's 4th of July celebration will feature musical guests The Eddie Butts Band. The band will play from 5:30pm until the start of the fireworks show. Check out the community calendar on page 40 for all of Brown Deer's summer offerings!

The Village and the School district have scheduled Strategic Planning Meetings prior to scheduling a community wide public information meeting in May regarding school district needs in the immediate future.

Due to increases in population and subsequently increases in school attendance the School District needs to make some accommodations for handling this overflow of new students. It is a good thing to see newcomers moving to the Village but it does come with changes that need to be adapted to.

I want to discuss the Village Zoning Code which establishes zones or areas that are strictly for businesses locations. These zones have been established for many years in the Village. When a business files an application to locate in a business zoned area the Village has control only over the building design, setbacks, and storm water management plans. The Village cannot deny a permit based on the type of business entity, if zoned appropriately. We see many applications for permits that do not proceed based on other factors but we cannot deny permits that conform to our zoning code.

Have a great Spring and Summer and I hope to see you at our Events.

## Night Out for Justice

The National Association of Town Watch (NATW) developed National Night Out, 33 years ago, as an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. Together, we are making that happen. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community and provides a great opportunity to bring police and neighbors together under positive circumstances.

The Brown Deer Police Department has participated in this event for years with its Night Out for Justice program. This year's event will be held on Wednesday, Aug. 2, 2017. Our goal is to provide a fun event that is interesting while highlighting public service providers such as the North Shore Fire Department, the Brown Deer Department of Public Works, additional Local and Federal Law Enforcement Agencies and many others. The Night Out for Justice partners with the Brown Deer Vibes community program providing music and entertainment during the event. Past participants can attest that we try to bring new and fun activities every year. This year will be no different! To stay up to date on activities planned for National Night Out and other community events, follow the Brown Deer Police Department on Facebook and Twitter!

# 2017 Village Construction Projects

The Village of Brown Deer is committed to preserving the integrity of our infrastructure and maintaining safe, quality conditions. With the warmer weather, our crews are out making repairs and changes in several areas of the Village. Watch for signs and detour markings, and for your safety and the safety of the workers, please drive with caution through the construction sites. The 2017 major construction projects are as follows:

## 2017 Water Main Relay

Annually the Water Utility replaces approximately 1% of the existing water main infrastructure to improve customer reliability and eliminate old pipes that are susceptible to breaking.

This year the Water Utility will be replacing old 6-inch, cast-iron water mains with new 8-inch, PVC pipes on N. 51st Street from W. Dean Road to W. Wahner Avenue. Work is scheduled to start after the 4th of July so as not to impact the parade route. The substantial completion date is the end of August (weather dependent). The re-paving work will be LET under a separate contract as part of the roadway re-paving program. Restoration work will be done by DPW crews.

## 2017 Ditch Rehabilitation & Culvert Replacement Program

Since 2001 the Village has been rehabilitating roadside ditches and replacing culvert pipes as part of the annual

roadway re-paving program. The work is completed internally by DPW crews and mainly funded through the stormwater utility. A portion of the work which includes driveway culvert replacement and driveway re-paving is assessed back to the benefiting property owner. The ditch is the "storm sewer" for the road and properties that it runs along. The ditch serves two purposes. First, it controls and carries stormwater runoff from your property and the street to the streams, channels, and rivers. Second, it stores water until it can be carried through culverts to the streams, channels, and rivers; and allows time for pollutants and fine particles to settle out which is an important aspect in helping the Village achieve its stormwater permit with the WDNR. Over time the ditches fill with particles, turf build-up, and root swells from trees and bushes. This "filling of the ditch" increases the chances of flooding and damage to the street and your home. Therefore, the time will come when the ditch must be excavated and the flow pattern re-established. Since the original construction of the ditch, standards have changed which may require the ditch and culverts to be up-dated. Remember, the ditch is not a yard – it is a "green storm sewer pipe" that is to transport and hold water. This year's

project area includes:

- W. Donges Lane (from N. 67th Street to N. 60th St.)
- W. Darnel Avenue (from N. Grandview Dr. to N. 60th St.)

The ditch rehab work and culvert replacements occur ahead of the roadway re-paving project. Work typically begins in mid-June and is completed by the end of August. Coordination occurs with the paving contractor which may alter the schedule. Public Information Meetings (PIMs) and a Public Hearing will be held in April and May prior to work beginning.

### 2017 Roadway Re-Paving Program

Annually the Village contracts to re-pave deteriorated asphalt roadways. As required by the Wisconsin Department of Transportation (WisDOT) the Village engineering department rates the streets to determine which roadways are deficient and in need of repair. The system used is called PASER (Pavement Surface Evaluation and Rating) which rates roads 1 through 10 (10 being a new road and 1 being failing) to assess the surface conditions. The road rating along with coordinated work among other departments (i.e., stormwater, water main, sanitary sewer) needs are evaluated to determine the which streets are re-paved when. The Village has a 5-year capital plan that is adopted annually for roadway re-paving. This year the roads scheduled for re-paving include:

- N. 51st Street (from W. Dean Road to W. Wahner Avenue)
- W. Donges Lane (from N. 67th Street to N. 60th Street)
- W. Darnel Avenue (from N. Grandview Drive to N. 60th Street)

The roads listed above are subject to change as the engineering department finalizes the plans and receives bids from contractors. Re-paving work typically occurs from mid-August to the end of September.

Thank you for your patience and understanding as we work to make improvements that will better serve residents, drivers, pedestrians, bikers – and the ecology.

# Brown Deer Lanes Celebrates 60 Years in Community

**K**im Starz-Nicholas literally grew up under the roof of a family business that she has realized she couldn't imagine her life without. The year of 1972 marked "Moving Day" for the Starz family into the bowling center that stands out now as a generational dream come true. Beginning as her father's hope, Brown Deer Lanes, located at 4715 W. Bradley Road, has become a welcoming business for families and people of all ages for the impressive span of 60 years total, and 45 years under management of the Starz family.

Starz-Nicholas wholly invites the community to join in on the fun.

"We're one of few North Shore bowling centers," she said. "We are very family-oriented and we get a diverse clientele of all ages. There are so many new families in the village and they don't even know we are here."

Brown Deer Lanes opened in 1957 and was purchased by Starz-Nicholas' parents, Jerry and Shirley Starz, in 1972. Jerry wanted to become a pro-bowler (he has had numerous 300 games, held the record for the most 700s in the city when he was in his 40s and is in the Milwaukee Bowlers Hall of Fame), but instead he "sold the house and bought a bowling alley!" Starz-Nicholas said with a laugh.

Beginning with bartending and waitressing at age 14, Starz-Nicholas worked her way up to managing the business at age 20, and eventually purchased it and became the owner at 30. She has not looked back since, fully enjoying the career that is also a community staple of

camaraderie.

"I'm really glad I grew up in this environment," she said. "I never, ever thought of doing anything else."

Aside from the usual bowling activities such as open bowling and leagues for adults and youth, the bowling center offers private parties, a banquet hall to host them in and the option to rent the entire center.

"And we have wonderful Packer parties!" Starz-Nicholas said. Another hidden gem of this timeless business is the outdoor area that is home to four sand volleyball courts, all of which host summer volleyball leagues and are also included as an option for private parties.

Brown Deer Lanes features a full kitchen with pizza, sandwiches, salads and appetizers. Starz-Nicholas, who has been catering since she was 17 years old, caters for this business as well as Sussex Bowl, which she purchased with husband, Lee Nicholas, in 2008. Her son, Stephen Hoehnen, currently runs Sussex Bowl, and, in keeping with family tradition, Starz-Nicholas says that plans are already set in place to sell the business to him "like my father sold Brown Deer Lanes to me."

Open seven days per week September through April with seasonal hours the rest of the year, Brown Deer Lanes is a great go-to place for the village, said Starz-Nicholas, adding that she hopes to remain "a valuable part of the community."

Now with so many younger families moving into the village, the personable owner who knows many of her patrons by name would love to see those faces having fun at her childhood "playground." Seeing as there are so few things an entire family can do together, she said, it is amazing that "bowling is something ages 4 to 80 can all come and do together. We are good, clean family fun."

She invites the community members who have not had the pleasure of experiencing this family fun hang out to pay Brown Deer Lanes a visit.

"Just this past year, a village resident of 15 years came in and said he had no idea we were here and that he had been driving a half-hour away to go bowling. Sometimes people don't explore the gems they have in their own backyard," Starz-Nicholas said, adding that she loves meeting her neighbors, old and new. "Stop in anytime and say 'hi!'"

# Maintaining Your Physical and Emotional Health Begins Here

**P**articipation in regular physical activity has been shown to have benefits to both physical and emotional health. Unfortunately, many adults are not getting enough. Per the Physical Activity Guidelines for Americans, adults need at least 150 minutes of moderate-intensity physical activity per week and should perform muscle-strengthening exercises on two or more days each week. According to the Centers for Disease Control and Prevention (CDC), the benefits of physical activity include the following:

- **Controls weight-** You gain weight when the calories you burn, including those burned during physical activity, are less than the calories you eat or drink.
- **Reduces the risk of cardiovascular disease-** Heart disease and stroke are two of the leading causes of death in the United States.
- **Reduces the risk of type 2 diabetes and metabolic syndrome-** Metabolic syndrome is a condition in which you have some combination of too much fat around the waist, high blood pressure, low HDL cholesterol, high triglycerides, or high blood sugar.
- **Reduces the risk of some cancers-** Research shows that increasing physical activity can lower the risk for breast and colon cancer.
- **Strengthens bones and muscles-** Research shows that doing aerobic, muscle-strengthening and bone-strengthening physical activity of at least a moderately-intense level can slow the loss of bone density that comes with age.
- **Improves your mental health and mood-** Regular physical activity can help keep your thinking, learning, and judgment skills sharp as you age. It can also reduce your risk of depression and may help you sleep better.
- **Improves your ability to do daily activities and prevent falls-** Doing balance and muscle-strengthening activities each week along with moderate-intensity aerobic activity, like brisk walking, can help reduce your risk of falling.
- **Increases your chances of living longer-** You don't have to do high amounts of activity or vigorous-intensity activity to reduce your risk of premature death. You can put yourself at lower risk of dying early by doing at least 150 minutes a week of moderate-intensity aerobic activity.

Exercise does not have to be a chore. Choose something that you enjoy doing. Brown Deer offers multiple places where you can get active including:

- The Village Pond- When it gets hot outside come and cool off and go for a swim at the pond.
- Village Park, Fairy Chasm Park- Come out and play sports with family/friends or go for a walk at the park.
- Brown Deer Recreational Trail, Oak Leaf Trail- Go for a walk or a bike ride at either one of these trails.

## AWESOME SUMMER PROGRAMS FOR CHILDREN AND TEENS

### Where's Library Lion?

Library Lion keeps roaming around all summer long! He's hiding in the library somewhere – every day in a new place! Kids, if you find him, bring him to the reference desk for a prize! But be quick! Once he's found for the day, he won't hide again until the next day.

## Summer Reading Kick-Off!

Friday, May 26, 2 to 6 p.m.

Join us for the kick-off to our 2017 Summer Reading Programs! We will be outside with sidewalk chalk art, a bake sale, and all the materials you will need to sign up for our fabulous children's summer reading program! All proceeds from the bake sale will help fund our fall 2017 child & teen programs.

## Disney Trivia!

Monday, June 12, 3:30 to 4:30 p.m.

Can you name all seven dwarfs from Snow White? Who said "Just because it's what's done, doesn't mean it's what should be done"? The Wonderful Library of Brown Deer is proud to present a fun and nostalgia filled night of Disney Trivia for all who believe that fairy tales can come true (it all depends on you!) and in the magic of a good story. So come one, come all, and have a supercalifragilisticexpialidocious time!

## Color Fight!

Wednesday, June 14, 6 to 6:30 p.m.

Join us in an epic battle of pigmented powder! Wear white/light color clothes that can get messy (and colorful!). And once we're done, we're going to enjoy some yummy sherbet. You may want to bring a pair of swimming goggles to protect your eyes and trash bag/sheet for the ride home. Things are going to get messy!

## Harry Potter Week!

We are pleased to inform you that your presence is requested to celebrate the 20th anniversary of "Harry Potter and the Sorcerer's Stone"! For all ages!

### Events Are:

- **Monday, June 26, Event from 3:15 to 4 p.m., movie begins at 4 p.m.:** Decorate your own Sorcerer's Stone! Afterwards we'll be watching "Harry Potter and the Sorcerer's Stone".
- **Wednesday, June 28, 3:30 to 4:30 p.m.:** Think you know Harry Potter? Join us for trivia! There will be an awesome grand prize. And put on your best wizard robes, and the best will win a prize in our costume contest.
- **Thursday, June 29, Event from 3:15 to 4 p.m., Movie begins at 4 p.m.:** Decorate your own secret journal! Afterwards we'll be watching "Harry Potter and the Chamber of Secrets".

## Muppet Madness Monday!

Monday, July 10, Craft from 4 to 5 p.m., movie begins at 5 p.m.

I'm not sure how to make a Muppet... but I can make a crazy paper bag puppet! Come make an awesome muppet, and then enjoy a screening of the 1979 classic "The Muppet Movie".

## Cupcake Wars 2: The Icing Strikes Back

**Wednesday, Aug. 2, 4:30 to 5:30 p.m.**

Choose a book – any book – and create a cupcake creation inspired or related to that book. One cupcake designer will be crowned the winner of Cupcake Wars. Everyone will eat cupcakes. It's going to be an awesome competition. **Registration required, starting July 19. Registration guarantees your supplies.**

## Black Light Painting Party!

**Wednesday, Aug. 16, 5 to 6 p.m.**

For children aged 6 and up.  
Black lights? Check. Neon paint? Check. Glow sticks? Check. This is going to be awesome.

## PERFORMERS!

### Kidsplay

**Tuesday, June 20, 2 to 3 p.m.**

Two travelers from the future need you to help them build the better future that they are from so they can return back...to the future. Confused? You will be after you've seen this hilarious, highly interactive show by Kidsplay!

### Mad Science of Milwaukee

**Tuesday, July 18, 5 to 6 p.m.**

Children will be dazzled and entertained as they interact with our Mad Scientists! Foggy dry ice storms, giant beach balls floating in the air and even a special Mad Science "burp" potion will amaze children as they learn about chemical reactions, air pressure and the states of matter.

### Doug the Jug

**Tuesday, July 25, 11:30 a.m. to 12:30 p.m.**

"Doug the Jug" performs a humorous juggling extravaganza for children and adults of all ages. Whether juggling five colorful rings or three small children, you never know what astonishing feat Doug will attempt next!

# Summer Library Programs

## 2017 Summer Pre-School Story Times!

Join us for stories and crafts! Summer story times for pre-school aged children will run from June 19th – August 9th. Storytime sessions will be held on Mondays and Wednesdays from 11:15 a.m. to noon. There will be no story times on July 3 or 5.

Please register your child for story time before attending. Crafts are reserved for those who are registered, and we are limited to the number of children we can accommodate per session. You can register at the Reference Desk, or by calling the reference desk at 414-357-0106.

Thursday, July 6 at 5 p.m.

Saturday, July 8 at 1 p.m.

Thursday, July 20 at 5 p.m.

Thursday, Aug. 3 at 5 p.m.

Saturday, Aug. 5 at 1 p.m.

## Sensory Play!

For children birth to 5 years old

Fridays from 11 a.m. to noon

June 30, July 28 and Aug. 18

Children of all abilities need and benefit from sensory-based play. It allows them to connect ideas with concrete experiences, it stimulates the brain which helps strengthen neural pathways, and it helps develop fine and

gross motor skills. During the program, children move through different sensory stations with their caregiver. Grown-ups receive a handout detailing the instructions for each station, which matches it with a developmental goal and includes prompts to engage their children.

## ADULTS!

### Adult Book Club

The library's Book Club continues through April 19. The Book Club meets in the library's Community Room from 5:30 to 6:30 p.m. This April, we will be discussing **The Light Between Oceans** by M.L. Stedman. Participants **must register for each month** and copies of the books under discussion will be available to those who have registered. One may register by stopping at the Reference Desk or calling the library (414-357-0106). The book club will take a break over the summer and resume again in fall. Watch for fall's titles in the next issue.

**Special film screening of The Light Between Oceans to close the book club season in the Community Room, April 21 at 4:30 p.m.**

### Adult Summer Library Reading Program

For Adults 18 years and older  
May 26-Aug. 26

"Build a Better World" this summer with the Adult Summer Reading Program! The program will change slightly this year, so pick up your BINGO card at the library. That's right, we said "BINGO card"! Finished cards get you multiple tickets toward the Grand Prize Drawing for a chance to win a Kindle or Nook tablet.

Here's how it works:

Each BINGO card has a variety of book categories for you to read. Fill out any vertical, horizontal, or diagonal line with the authors and titles of books you read in those categories (no duplicates allowed!) to get BINGO! Turn your card in to receive an envelope of library coupons and tickets toward the grand prize drawing (1 bingo = 5 tickets).

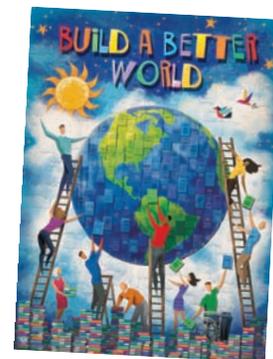

If you want to keep going, try for another BINGO or fill in all four corners! Each additional book read is another ticket toward that grand prize drawing. If you get a blackout, you can receive 10 additional tickets for the grand prize drawing.

Happy Reading!

**End of Summer Reading Potluck**

**Aug. 14, 5:30 to 6:30 p.m.**

As the end of the Summer Reading Program approaches, we invite adults to bring a dish to share and review your summer reads with fellow summer reading book lovers. Also bring along a written review of your favorite summer read, which will be displayed in the library.

## Coloring, Conversation and Coffee

We supply the coloring pages, colored pencils and coffee; you bring the conversation. Adults are welcome to pop in to color and converse on the second Friday of the month between 11 a.m. and 1 p.m. in the library's Community Room. Use our supplies or bring your own. Come when you can and leave when you must.

**Upcoming dates are: May 12, June 9, July 14, & Aug. 11.**

## Friday Night Flix

Start the weekend off right with some recent box-office hits at Friday Night Flix for young adults (17+) and the young at heart. Movies will show at 4:30p.m. in the Brown Deer Library Community Room. The full lineup will be available by mid-May as release dates are subject to change.

**May 5** - Rogue One – Action, Adventure, Science Fiction

**June 2** - Jack Reacher 2: Never Go Back – Action, Adventure, Crime

**July 7 and August 4** - TBD

## Movies for Grownups

Come for free movies on the first Thursday of each month at 2 p.m. Grab a friend or two and join us! Sponsored by the Friends of Brown Deer Library.

**May 4** – Me Before You – Contemporary Drama, Romance

**June 1** – Hidden Figures – Biography, Drama, History

**July 6** – Collateral Beauty – Contemporary Drama, Romance

**Aug. 3** – TBD

## Harry Potter Trivia Night

**June 28, 3:30 to 4:30 p.m.**

The last week of June is Harry Potter Week at the library! We are pleased to inform you that all wizards, witches, squibs, and muggles of **all ages** are invited to put their Harry Potter knowledge to the test. Teams of 2-5 people will be accepted. Registration is required. Please call the reference desk at 414-357-0106 to register. Prizes will be awarded for best dressed, the winners of the trivia, and a door prize.

## Disney Trivia Night

**June 12, 3:30 to 4:30 p.m.**

Can you name all seven dwarves from Snow White? Who said, "Just because it's what's done, doesn't mean it's what should be done"? The Wonderful Library of Brown Deer is proud to present a fun and nostalgia filled night of Disney trivia for all who believe that fairy tales can come true (it all depends on you!) and in the magic of a good story. So come one, come all, and have a supercalifragilisticexpialidocious time!

## Resume Assistance

Need help writing or revising your resume? Book an appointment with a librarian to receive 30 minutes of one-on-one time. Bring a physical or digital copy of your resume to your appointment, and we will help create a visually appealing, well-crafted resume.

**REGISTER EARLY!** *If a program does not meet its minimum registration requirement within five days of the start date of the program, the program may be cancelled.*

## Residency Policy

Individuals who live in the Village of Brown Deer and students who attend Brown Deer schools may register for programs as residents. 2016 Resident I.D. cards may be obtained at the Park and Recreation Department in the Village Hall during office hours.

## Fees and Refunds Policy

Program fees are established to recover the direct operational costs of each facility and program. **All fees must be paid at the time of registration. Fees will not be prorated for individuals who are unable to attend all sessions of a program.**

Full refunds will be issued if a program is cancelled or changed by the Park and Recreation Department. When a single program session is cancelled due to weather or change in facility availability, no refunds will be issued.

Full or partial refunds of instructional and membership fees will be issued only in situations when an individual or family is unable to participate because of a medical condition or unusual circumstance. **Full or partial refunds of instructional and membership fees will be subject to a 20% administrative fee.**

## Program Policies

**Inclement Weather** No programs, conducted in school buildings, will be held when the schools are closed due to inclement weather. Call **(414) 371-3071** for a prerecorded message about cancellations.

**Insurance** The Park and Recreation Department does not provide hospital or medical insurance coverage for individuals who participate in sponsored programs. Participants are advised to obtain their own insurance coverage prior to registration in any program.

**Physician Referral** Participants who are over 40 years of age or who have health problems are advised to consult a physician prior to registration in adult fitness classes.

**Photographs** For program promotion purposes, photographs may be taken of participants during a program. If you do not want your or your child's photograph taken, please advise the class instructor.

**Child Care** Child care is not provided for adult programs. Children are not permitted to attend adult programs without supervision of another adult who is not actively participating in the activity.

**Program Confirmations** Confirmations will not be sent. Assume you are enrolled and plan to attend unless otherwise notified.

**Waiting Lists** The Park and Recreation Department will make every effort to accommodate individuals on waiting lists. If an opening becomes available, you will be contacted by telephone.

## Adaptive Program

Pursuant to the Americans with Disabilities Act, the Brown Deer Park and Recreation Department will make all reasonable accommodations for persons with disabilities to participate in department programs, services and activities. If you require special accommodations to participate in a department program, please let us know when you register.

## New Programs

The Brown Deer Park and Recreation Department is interested in developing new programs. Contact us with your suggestions for new classes at (414) 371-3075 or email Mark at [mthompson@browndeerwi.org](mailto:mthompson@browndeerwi.org).

# SUMMER PROGRAMS 2017

## AMERICAN RED CROSS LEARN TO SWIM PROGRAM

### Open to Children and Teens

American Red Cross water safety classes will be held at Brown Deer Middle/High School Pool. In addition, there will be a Tuesday/Thursday evening session held at Brown Deer Pond. If you are not sure which level your child should enroll in, please contact the Park and Recreation Department at (414) 371-3075 before registering.

**NOTE:** If your child needs adjustment to the water and requires additional assistance, please advise the Park and Recreation Department at registration.

**Fee: \$43 Residents and \$51 Nonresidents**

### Children 6 Months Through 5 Years

**Parent/Child:** Children 6 months-4 years old. Parent is in the water with their child.

**Pre-School 1:** Children ages 3-5 who need water adjustment or first time in water. No parent is in the water.

**Pre-School 2:** Orients children ages 3-5 to the aquatic environment and basic aquatic skills.

**Pre-School 3:** Children ages 3-5 will start to gain basic swimming propulsive skills to be comfortable in and around water.

### Learn to Swim Levels

#### Ages 6 and Older

**Level 1:** Helps students feel comfortable in the water. Participants learn to enter and exit the water safely, fully submerge their head, exhale underwater, float on their fronts and backs with support and begin to swim on their fronts and backs using arm/leg action.

**Level 2:** Gives students independent success with fundamental skills. Participants learn to independently enter and exit the water safely, swim on their sides, submerge entire head for five seconds, float on their fronts and backs without support, glide on their fronts and backs unsupported and swim on their fronts and backs using combined strokes for 15 feet unsupported.

**Level 3:** Builds on skills learned in Level 2. Participants learn to jump into deep water from the side, dive from kneeling or standing position, perform front and back float for 30 seconds, swim front crawl for 15 yards, swim back crawl for 15 yards, the butterfly kick and the butterfly body motion.

**Level 4:** Develops confidence and strength to improve skills learned and introduces new aquatic skills. Participants learn to swim underwater, perform a feet-first surface dive, perform open turns on their front and back, tread water for one minute, swim front and back crawl for 25 yards, swim breaststroke and elementary backstroke for 15 yards, swim butterfly for 15 yards and swim on their sides using a scissors kick for 15 yards.

**Level 5:** Provides further coordination and refinement of strokes, swimming further distances. Participants learn to tread water for two minutes, perform standing dives, swim sidestroke and elementary backstroke for 25 yards, perform tuck and pike surface dives, perform front and back flip turns, swim front and back crawl for 50 yards and swim butterfly and breaststroke for 25 yards.

**Level 6:** Refines strokes so students swim them with ease, efficiency, power and smoothness over greater distances.

### Swim Assessment

Swim assessments are offered to swimmers who are new to our Swim Lessons or who are returning after a break from lessons. Staff will provide one-on-one skill screening for placement and will introduce new swimmers to the Brown Deer Middle/High School Pool. You must register in advance by contacting the Park and Recreation Department at (414) 371-3075.

## Enjoy Our Recreational Trails

Pack a lunch and your binoculars and head outdoors to hike, bike and in-line skate on our paved area trails, perfect for family enjoyment.

The **Brown Deer Recreational Trail** is located along the Wisconsin Electric Power Co. right of way between W. Brown Deer Road and W. County Line Road. Park in the Village Hall parking lot, 4800 W. Green Brook Drive, and access the trail from Village Park. This trail connects the Milwaukee Oak Leaf Trail to the Ozaukee Interurban Trail.

The **Oak Leaf Trail** is 96.4 miles and meanders in and around the city of Milwaukee on a changing terrain of flat rural plains and hilly city streets - and connects all of the major parks in Milwaukee County. The trail carries you down to beautiful Lake Michigan and its beaches, all adding up to a great ride.

The **Ozaukee Interurban Trail** is a 32-mile path through the communities of Mequon, Thiensville, Cedarburg, Grafton, Port Washington, Belgium and Cedar Grove. This trail route connects historic downtowns with natural landscapes. Views along the Trail include woodlands, wetlands, farmlands, Cedar Creek, the Milwaukee River and Lake Michigan - and is designated as a hotspot for birding. Visit [interurbantrail.us](http://interurbantrail.us) for current trail maps, locations of designated parking lots, history of the trail and trailside bird guide.

## 4th of July Celebration

This year's parade theme is "Celebrate Here in Brown Deer." Join your friends and neighbors on Tuesday, July 4th for an exciting hometown parade, corn roast and picnic, open house at the Little White Schoolhouse, bingo, and a spectacular fireworks display in Village Park.

We welcome bands and floats for the parade. The Eddie Butts Band, sponsored by the Brown Deer Foundation, will be the featured entertainment. Community support is needed to help defray the costs of the celebration. You can help by:

- Rounding up the amount due on your water bill payment in June.
  - Purchasing a raffle ticket (\$1 each or 6 for \$5).
  - Contributing \$5 or more as a resident sponsor.
- Volunteers are needed to help with the day's activities. If you are interested in volunteering, please contact the Brown Deer Park and Recreation Department at **(414) 371-3075**.

Watch for the official 4th of July program to be delivered to Brown Deer residents in June. You may also visit the Village website for additional information.
