

WEEKLY DEPARTMENTAL REPORT

COMMITTEE: Village Manager/Board, Finance/Public Works, Traffic/Public Safety, Beautification

PREPARED BY: Matthew S. Maederer, PE, Director of Public Works/Village Engineer

REPORT DATE: February 22nd, 2018

GENERAL: On Monday, February 19th the Director attended the Board meeting. Several items were on the agenda for approval which included the following:

- Private Property Inflow/Infiltration (PPI/I) program construction award to Visu-Sewer
- The contract amendment with the engineering consulting firm RA Smith to provide construction inspection services for the PPI/I program
- The contract renewal with Advanced Disposal for refuse collection/disposal and recycling collection/processing
- The new DPW facility project site-plan approval.

On Wednesday, February 21st, the Director, Community Development Director, and Engineering Technician attended the 90% design review meeting at Milwaukee County for the N. Teutonia Avenue/CTH D reconditioning project from W. Good Hope Road/CTH PP to W. Bradley Road and roundabout construction at the N. Teutonia Avenue/W. Bradley Road intersection. Construction is expected to start mid-May with a completion date of mid-November 2018.

On Thursday February 22nd the Director submitted the Stormwater Management Plan (SWMP) to the Milwaukee Metropolitan Sewerage District (MMSD) for the new DPW facility project. MMSD reviews the SWMP to ensure the peak flows from the project are mitigated within the Milwaukee River watershed.

WINTER OPERATIONS: The crew completed “spot” salting Wednesday morning throughout the Village due to the falling temperatures after the rainy weather on Tuesday.

SANITARY SEWER: The Sanitary Sewer Technician is attending the Water & Wastewater Equipment Treatment & Transport (WWETT) conference in Indianapolis from February 21st thru February 24th.

STORMWATER: The DPW crews were out clearing culverts free of debris during the rainy winter weather all day on Tuesday and de-icing culverts at various locations to prevent flooding conditions

REMINDER: All culvert replacements and driveway approach paving work requires a permit. Culvert replacements are completed in-house by DPW crews ahead of the residential driveway approach paving. Please contact the DPW office for more information.

BEAUTIFICATION/FORESTRY: The crews have flagged in pink ribbon all the ash trees along N. Arbon Drive adjacent to FIS due to EAB infestation. The ash trees will be removed this winter and replaced with a species other than ash in the spring. Tree trimming activities will be tracked in the new GIS application tool which was created as part of the Village’s 2017 Urban Forestry Grant. A complete tree inventory/assessment was also completed as part of the grant.

STREETS & TRAFFIC: The DPW crews are filling potholes throughout the Village with cold-patch asphalt as time allows.

REFUSE AND RECYCLING: The DPW crews are picking trash/litter throughout the Village within medians and terraces as time allows and when not completing winter operations.

The Recycling Center is on winter hours for the month of February. The Recycling Center is open on **Saturdays from 10am to 5pm.** For further information regarding the recycling center please call the DPW office at 414.357.0120.

PARKS & RECREATION: Crews are repairing and making new picnic tables for Village Park as time allows.
