

**BROWN DEER WATER UTILITY**

4800 West Green Brook Drive  
Brown Deer, Wisconsin 53223

**The Village of Brown Deer does NOT require you to purchase water or sewer line insurance.**

Recently a company named Service Line Warranties of America (SLWOFA) mailed letters to residents requiring a response within 30 days as they are trying to sell "service line insurance". The Village of Brown Deer is not affiliated with this company and does not endorse these types of companies who market to residents about obtaining water or sewer line insurance.

The water service line insurance coverage is optional and ultimately up to a homeowner to decide if the insurance is appropriate for them. If you are still unsure contact your property insurance company to see if you are already covered for such insurance or to see if they recommend such coverage.

Please feel free to contact the Village of Brown Deer Water Department at 414.371.3080 if you have any further questions.
