

KNOW YOUR RESPONSIBILITY

As a homeowner you own the water service line that brings fresh tap water into your home. You are responsible for the repair of this line from your utility's responsibility to your home. Changing soil conditions or simply the age of your service line can cause water service line emergencies.

If your service line bursts, finding help can be difficult and time consuming. Water service line leaks or breaks can be complicated and expensive to fix, often requiring specialized equipment to locate the leak and repair the line.

Your utility is not responsible for repairs. And basic homeowners insurance typically doesn't cover exterior water service lines damaged due to normal wear and tear. Now you can get optional coverage to protect yourself from the covered cost to repair or replace this line.

Let Exterior Water Service Line Coverage from SLWA help protect you from expensive repairs to the line that brings water to your home. You'll have peace of mind knowing you have coverage in case of a covered emergency and a 24-hour Emergency Repair Hotline available to you 365 days a year.

THE BENEFITS OF COVERAGE

Your coverage benefits include:

- 24-Hour Emergency Repair Hotline
- Priority Repair Status
- One-Year Guarantee on all covered repairs

Important Coverage Information: Eligibility: An owner of both a residential home permanently secured to the ground and the land it is located on may be eligible for coverage. Recreational vehicles or homes on wheels and properties used for commercial purposes are not eligible for coverage. In GA, residential properties containing more than two dwelling units are not eligible. In IA, residential properties containing more than four dwelling units are not eligible. Your property is not eligible if you are aware of any pre-existing conditions, defects or deficiencies with your exterior water service line prior to enrollment. If you live in a development community with a condominium, co-op or homeowners association, your exterior water service line may not be an individual homeowner's responsibility, so please check with your association before accepting this coverage. If you live in a multi-family structure and do not own the entire structure, it will be your responsibility to provide Service Line Warranties of America (SLWA) with a signed release from all other homeowners for any work which may affect their portion of the structure. Benefit Details: Coverage provides, up to the benefit amount, for the covered cost to repair or replace a leaking, low pressure, or permanently blocked exterior water service line, for which you have sole responsibility, from your utility's responsibility or external wall of your well casing to the external wall of your home, that is damaged due to normal wear and tear, not accident or negligence. Not covered: Repair to any water line that branches off the main water service line; thawing of frozen pipes; any shared water line that provides service to multiple properties or secondary buildings; and damage from accidents, negligence or otherwise caused by you, others or unusual circumstances. Additional exclusions apply. Making a Service Call: Your plan starts the day your form is processed, and there is an initial 30-day waiting period before you can make a service call, giving you 11 months of coverage during the first year. Upon renewal/reactivation (if applicable), you will not be subject to a waiting period.

To see full Terms and Conditions with complete coverage and exclusion details prior to enrolling call 1-833-808-6707 or go to www.slwaterms.com. SLWA is an independent company, separate from your city, local utility or municipality, providing emergency home repair services and protection solutions to homeowners across the U.S. If you would prefer not to receive solicitations from SLWA, please call 1-833-808-6707.

Utility Service Partners Private Label, Inc., known as Service Line Warranties of America ("SLWA"), with corporate offices located at 11 Grandview Circle, Suite 100, Canonsburg, PA 15317, is an independent company separate from your local utility or community and offers this optional service plan as an authorized representative of the service contract provider, North American Warranty, Inc., 175 West Jackson Blvd., Chicago, IL 60604.
