New Public Works Facility

Every day village staff is looking for ways to better serve the community. To this extent, the village conducted a feasibility and space needs study through Bray Architects back in 2015, which concluded public works having both spatial constraints and the need for major system upgrades. This was the start of a long process to bring us to where we are today with a new building scheduled to be completed in the Spring of 2019.

The existing facility was built in 1966 (village pop. 8,900) as a joint public works / fire station. In 1994, the fire department moved out and the building went through minor reconstruction to what we have today. The DPW facility is located at 8717 N. 43rd Street and occupies approximately 29,500 square feet or 4 acres at the current site. The existing building does not comply with today's building code due to limited fire alarm notification devices & pull stations, no back-up generator, toilet facilities do not meet current plumbing code, inadequate facilities for male/female employees, fixtures not ADA compliant, system replacements needed such as water heater air compressor, storm/sanitary piping. The largest deficiency is the lack of space.

In 2017, the Village obtained professional architectural planning services (Kueny Architects) to design a new

Public Works Center. After reviewing the few buildable areas in Brown Deer, a vacant 6.5-acre parcel of land immediately south of the current Village Hall and Police Department at 4800 W. Green Brook Drive was acquired from Rite-Hite. This location enabled the Village to build an expanded Public Works Garage and Vehicle Maintenance Facility. A new facility was deemed necessary to protect Village's investment in multi-million-dollar fleet, reduce vehicle maintenance costs, and extend equipment life expectancy (minimum 3-years based on a case study). The new facility will be double the current facility at a total of 51,060 SF and include office space, locker rooms, training room, conference room, vehicle garage storage, mezzanine storage, shops for mechanic, water utility, signs, and sanitary sewer. The Park & Rec department along with the Water Department will move over to the building from Village Hall in order to continuously collaboration between departments. Further benefits of the facility include:

- Code compliant & safe working environment for Village employees
- Protect the Village's multi-million-dollar investment in vehicles and equipment
- More efficient work space and response times
- Creates a consolidated public works operation improving overall efficiencies for the department
- Eliminates the need to invest money (band-aids) in the existing substandard facility

Once the move is complete, the existing site will be made available for commercial development as part of a TIF district.

The existing facility, built in 1966, does not comply with today's building code and lacks space to house our current fleet.

What does DPW do?

The mission of the Department of Public Works is to comply with and implement the policies established by the Village Board to provide for the health, safety and welfare of the Village residents by providing a clean environment with proper public improvements in a just, equitable and cost-effective manner. The DPW operations consist of 16 total employees, (12) full-time, (2) part-time year-round and (2) part-time seasonal. The Water operations consists of 5 total employees, (1) full time, (1) part-time, (1) seasonal and (2) contracted employees. The DPW is broken up into eight different divisions with an additional three enterprise funds (recycling, sewer and stormwater).

The DPW is here to serve the everyday needs of the community. Since the Fall of 2009 DPW's have been classified as first responders by the U.S. Department of Homeland Security. Public Works touches the lives of residents daily through the services we provide!

Monitoring Elderly Health this Holiday Season

The holidays are a great opportunity to enjoy time with family and friends, celebrate life, to be grateful, and reflect on what's important. They are also a time to appreciate the gift of health. As you gather with family this holiday season, take some time to look for the following warning signs that an aging parent or loved one may need some extra help at home.

- **Weight Loss**- One of the most obvious signs of ill health, either physical or mental, is weight loss.
- **Changes in Balance and Mobility**- Pay close attention to the way your loved one moves and how they walk. A reluctance to walk, changes in gait or obvious pain during movement can be a sign of joint, muscle or neurological problems.
- **Emotional Well-Being**- Look for signs of depression and anxiety, including withdrawal from social activities,

changes in sleep patterns, loss of interest in hobbies, and changes in basic home maintenance and personal hygiene.

- **Home Environment**- Take a walk-through of their home while you are visiting to see if they are keeping their house to the usual standards. Be aware that sometimes the signs of trouble are subtle. You know your loved one and their habits best, so go with your gut if something seems off.

Organizations such as Milwaukee County Department on Aging have a variety of resources available to help older adults live independently in their communities.

<https://county.milwaukee.gov/EN/Department-on-Aging>

The North Shore Health Department also provides services including blood pressure screening, flu shots for individuals who are home bound, and home safety assessments. These assessments include a home safety (including fire risk) assessment by a member of North Shore Fire/Rescue and a functional fall risk assessment by a registered nurse from NSHD. Call the Health Department at 414-371-2980 to schedule an in-home visit.

COMFORT KEEPERS® HONORS AND LOVES OUR VETERANS

Amy, Sales and Marketing Manager with Comfort Keepers®, is also a board member for the Stars and Stripes Honor Flights. Honor Flights are 100% volunteers and 100% funded by donations. Amy states, "My work with Comfort Keepers® allows me to assist the seniors and veterans in our communities. I love that Comfort Keepers® has a VA agreement and supports my passion for veterans." lifetime - one that they will never forget."

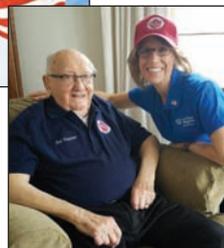

In 2009, Amy joined Honor Flights and in 2010 joined the Board of Directors. Amy coordinates the guardian trainings prior to the flight, assists on flight days with the logistics team, and works closely with the medical team reviewing the veteran applications.

Amy states: "My dedication to the Honor Flight program is to my late father, a WWII Army veteran. Volunteering for the veterans is my way of serving and giving back.

The mission of The Honor Flight is to fly WWII, Korean, Vietnam War veterans and terminally ill veterans from other conflicts, to Washington, DC to visit their Memorials. We know that time is of the essence and our mission is to give these veterans a trip of a lifetime - one that they will never forget."

Watch for 2018 Tax Bills

Watch your mail for your 2018 tax bill (the envelope will also contain a flyer from the Department of Public Works). When paying your taxes, please note the following important information:

Do NOT mail back your original tax bill with your payment. Instead mail us a COPY of the bill or legibly write the parcel number (that is found in the upper right hand corner of your bill) that you are paying for on your check.

If you want a receipt, include a self-addressed, stamped envelope when mailing your payment.

You may pay your property (real estate) or personal property tax bill online, via credit card or electronic check. You will incur the following additional fees when you pay online:

Credit Card – There will be a charge of 2.39% of the amount paid, with a minimum of \$1.50. Please print out your receipt or write down your confirmation numbers, as you will NOT receive a receipt from Village of Brown Deer.

Electronic Check – There will be a fee of \$1.50 for the first \$10,000 or a \$10 fee for any amount over \$10,000. Please print out your receipt or write down your confirmation numbers, as you will NOT receive a receipt from Village of Brown Deer.

Payment can be made by mail or at Village Hall, 4800 West Green Brook Drive, Monday through Friday from 8:00 am to 4:30 pm or after hours in the tan drive-up depository box located outside in front of Village Hall. Please note that Village offices are closed for the holidays on the following dates:

BD Police Department Social Media Accounts

Social media use has become one of the most influential communication channels in human history. The Brown Deer Police Department uses social media accounts to assist with Crime Prevention, Criminal Investigations and Public Relations.

Crime Prevention

The Department attempts to prevent crimes of opportunity by educating the public on crime trends affecting the area and offering crime prevention tips. We also post daily call blotters to keep the community informed of situations requiring a police response in their neighborhoods.

Criminal Investigations

When it comes to solving crimes, the department uses social networking in multiple ways. It is not unusual to hear a story about a criminal who posted details of their criminal actions online, only to be located and apprehended in short time. Social Media platforms are extremely effective in the widespread communications of all-points bulletins targeting specific suspects or vehicles as well as requesting the public's assistance in locating missing or endangered persons. Using social media allows for tips to begin to filter in within a matter of minutes when time is a factor.

Public Relations

Law enforcement, like any other business, benefits from the use of social media when building relationships within a connected community. Beyond publishing crime notices; we share information on employment opportunities, neighborhood events, charitable initiatives, fundraisers, and more.

For up-to-date information straight from the source make sure you follow us on **Twitter** @BrownDeerWIPD; on **Facebook** @BrownDeerWIPD; and on **Youtube** @BrownDeer Police Department.

The department encourages our officers, supervisors and specialty units to use Twitter during their daily patrols, critical incidents and special events. Winter/Spring 2019 • Our Brown Deer 9

Thank You To the Village Election Inspectors

The Gubernatorial/General Election was held on November 6, 2018. The number of eligible voters in Brown Deer who exercised their Constitutional right and civic responsibility in the Election totaled 6,465, with 1,591 absentee ballots cast. That amounts to a record 80% overall turnout of registered voters for this midterm election. Congratulations to all electors!

The election inspectors had a very long and hectic Election Day. Their dedication to ensure the process ran smoothly and accurately is greatly appreciated. We would like to thank the following 2018 Gubernatorial/General Election Inspectors: Judy Aigner, Carla Allison, Ruth Braden, Ron Bratkowski, Anne Buckley, Daretta Chesnut, Jan Crosby, Jan Cuzner, Jim Farmer, Penny Farrell, Karen Gass, Myra Gehrke, Joe Gosse, Rob Guilbert, Ann Held, Kerry Hoey, Marge Jaberg, Oscar Kornblum, Mary Lynne Kust, Joyce Lorfeld, Alan Lubetski, D'Ann Malloy, Beth Messner, Karen Miller, Ruth Montes-Khatib, Kathy Mulder, Donna Neubauer, Sally Newman, Julie Quirk, Sally Schleicher, Kathleen Schilz, Barb Shankle, Sue Springman, Sharon Thomas, Kathy Weber, Mary Witman and Donna Zimmer.

We also want to acknowledge and give special recognition to the following Brown Deer High School

students: Bobby Albrightson, Michaela Drake, Candace Hicks, Laylani Kayla Wilson-Silverthorne and Uzoamalka Udah, who assisted us as greeters, machine attendants, distributing ballots and with voter registration.

In addition to the above poll workers and high school students, we appreciate the assistance that was received from the following Village staff members: Randy Bersch, Dan Bishop, Erin Hirn, Nancy Hoppe, Mark Junk, Elizabeth Spaulding and Jeff Wergin. We thank them all for the respectful manner in which they interacted with the electors, observers, news media, and law enforcement officials.

We would also like to extend our sincere gratitude and appreciation to Brian Kennedy of Kurt Schulz Delicatessen and Pastry Shoppe for the very generous donation of baked goods delivered in the morning for the election inspectors. DELICIOUS!!

Spring Primary

A Spring Primary (if required) will be held on Tuesday, February 19, 2019. On Tuesday, April 2, 2019, the Spring Election will be held for various positions, including Village President, two Village Trustees and three School Board members. Anyone who is interested in being a candidate for the Village Board should call the Clerk's office at 414-371-3050 concerning candidate registration materials and filing dates. Our Mission

is to enhance educational opportunities for students, families and staff of the School District of Brown Deer.

Highlights of the Donor Appreciation Event

A special event was held at Badger Meter on November 1 to honor donors who have supported our mission since our founding in 2014. Teachers and students showcased some of the many projects that have benefitted.

A total of \$247,000 has been distributed as follows:

- \$91,500 in scholarships to graduating seniors
- \$34,000 in grants to the BD School District
- \$58,700 in competitive grants to teachers and staff
- \$24,500 for Career Exploration & Readiness
- \$25,500 in book donations for children
- \$13,200 in books for classrooms and the BD Library's *1,000 Books Before Kindergarten Program*

Thank you....you have changed children's lives!

Special thanks to the following individuals and businesses for making this event so enjoyable:

Badger Meter, Kurt Schultz Deli & Bakery, Taher Food Service, Otto's Wine Cask, Dr. Deb Kerr and staff, DECA students, and community volunteers

Our 2017-18 Annual Report and a complete list of accomplishments during our first four years are available on our website at efbd.org. Our fall fundraising campaign is now underway. All gifts are appreciated and used directly to benefit our children. Donate on our website or mail your contributions to the Education Foundation of Brown Deer, 8200 N. 60th Street, Brown Deer, WI 53223. **Thank you for sharing our vision and supporting our mission.**

Help Us Make History!

This year our Brown Deer community will meet and surpass a historic milestone. The Brown Deer Scholarship Fund was started in 1977 to support our children as they graduated and pursued higher education. The Fund merged with the Education Foundation several years ago. When scholarships are awarded in 2019 we will surpass the \$1 million giving mark having provided awards to hundreds of deserving Brown Deer High School graduates. Your support today will help us to continue this wonderful and meaningful tradition.

To be part of this special moment, visit our website for more details. Together we can make a positive difference while we help to inspire our students to be passionate learners, creative thinkers and innovative leaders who will enrich our world.

Goal: \$1 Million

Generous Donation Assists in Securing Life-Saving State of the Art Equipment

By Lieutenant Dan Tyk, North Shore Fire/Rescue

Thanks to a generous donation from a local resident, North Shore Fire/Rescue will become one of the few fire and EMS providers in the greater-Milwaukee County area to have a mechanical CPR device--also known by its trade name, the LUCAS Device.

According to data from significant scientific research, and thanks to guideline changes driven by this research, outcomes for patients suffering from out-of-hospital cardiac arrest have greatly improved over the last 3-5 years. Nevertheless, cardiac arrest survival remains around 12% nationwide. Devices like the LUCAS have been proven to improve the chance of survival on patients whom the device is deployed. Recently, local news coverage from Janesville showed that the Janesville Fire Department was seeing survival rates as high as 45% following their deployment of the LUCAS device.

On the scene of a cardiac arrest, one of the greatest challenges is providing effective and continuous high-quality chest compressions, especially in cramped environments or while in a moving ambulance during transport to the hospital. The LUCAS, and other

mechanical CPR devices like it, can be deployed quickly, allowing crew members to focus on other life-saving interventions, like starting an intravenous line to give medication, or providing respirations.

Beyond the increased survival, implementation of the device will also ensure that personnel can remain belted in the patient compartment of the ambulance, greatly reducing the risk of injury to emergency personnel providing life-saving care.

Our hope is to complete training and initial deployment of the first device by the beginning of 2019. Additionally, we continue to pursue grants and other opportunities for procurement of two additional devices, which would allow us to equip each of our front-line paramedic units with this state-of-the-art device.

We are grateful for the continued support of the seven communities we serve. We look forward to sharing the positive outcomes achieved with the assistance of this device.

You can become the first step in the chain of survival by learning CPR. To learn more about our CPR programs, and other services offered by North Shore Fire/Rescue, please visit our website, www.nsfire.org.

MESSAGE FROM THE VILLAGE PRESIDENT 2018 Has Been A Great Year!

As the Village President I am proud to report that 2018 was a great year in Brown Deer! Beginning with the Deer Run, then the Eat and Greet in the original village, followed by the Vibes concerts at Village Park, and, of course the July 4th Parade and Fireworks. The pond is one of the unique assets in the village and was well attended this summer.

Beyond the fun events, the village moved forward with some big projects in 2018. The new DPW facility is well underway and we are looking to dedicate its completion early next summer. The board also approved an apartment project in the Original Village. This plan looks like a beautiful addition to the village. Construction on that project will start in spring of 2019. In addition, the village acquired the Westbury Bank building and is drawing up plans to repurpose the building for our new village library. All of which are positive steps to the village.

Village President Carl Krueger

The Village Board also decided to schedule Town Hall meetings from time to time. This allows for residents to hear directly from the staff and board members and ask any questions. The first Town Hall meeting was well attended and the next one we schedule will move to a larger venue. Another source of information was created, it is called the "Grape Vine." The "Grape Vine" is written by Village Manager Michael Hall and addresses various questions we pick up from social media or citizen inquires at Village Hall. Once again, our village was recognized as being a safe community with low crime rates by several rating organizations I believe our Police Department and Neighborhood watch are instrumental in keeping crime in check. Good work by the police and Chief Michael Kass.

Finally, I wish to address the village portion of the tax bills which you will receive shortly. The 2019 budget will increase by only 1%. In 2019 the Village portion of the tax bill will be approximately \$1,400 on a house valued at \$150,000. Divided by 12 months that equates to \$116 per month for all the services performed by the Village. That is less than the average internet, phone, and TV bill. I am very thankful that the Village operates that efficiently.

Everyone have a safe and fun Holiday Season!

Lisa Zielinski takes School Board Oath of Office

On September 25, 2018 the board of education appointed Lisa Zielinski to fill a open seat due to Rachael Fellers moving out of the district. The board appreciates the service provided by Mrs. Fellers and we wish her and her family the very best. Lisa was sworn in as an experienced board members bringing financial expertise and great understanding of school district policies and practices. "Lisa has been a wonderful addition to the board during this time of transition," says Dr. Deb Kerr, Superintendent. There will be three spots open for the April election and at this it is not known if current board members up for election will continue in their current roles. Stay tuned for more details after the 1st of the new year in January. Anyone interested in running for school board should contact Tracy Harris at 414-371-6767 or tharris@browndeerschools.com

Board Members Amy Machgan and Rachel Ladezma earn Wisconsin Association of School Board Recognition (WASB)

At the annual region meeting for all school districts in the metro Milwaukee area, Mrs. Machgan and Mrs. Ladezma were recognized for their professional development and attending workshops and conventions related to school board governance and leadership. "It's truly an honor to work with such dedicated board members who support the mission of the school district and life-long learning. They are wonderful examples of board members committed to learning and leadership," says Dr. Deb Kerr, Superintendent.

Outdoor Classroom takes shape at Brown Deer Elementary School

Learning happens at Brown Deer Elementary School both indoors and outdoors. With a vision to create unique outdoor play spaces using nature, the kindergarten teachers and Naomi Cobb from Lynden Sculpture Garden have creatively used removed trees from our campus to create a nature play area. The play area includes the following: group gathering spaces with perfectly cut stumps in a semi-circle, hide away /quiet place features, and signage that will mark the boundary and define this space. In partnership with the Lynden Sculpture Garden we plan to develop a comprehensive, sustainable, place-based, arts-integrated outdoor learning program for Brown Deer Elementary School and families. Stay tuned for more details.

Brown Deer School District Significantly Exceeds Expectations for QZAB Program

In the late 1990's the United States Congress enacted the Tax Payer Relief Act which authorized a little known debt instrument for school finance called **Qualified Zone Academy Bonds** or **QZABs**. Public schools located in empowerment zones or enterprise communities and public schools with 35% or more of their student body on the free and/or reduced lunch program. With the 2011 referendum, the Brown Deer School District was eligible for 0% interest bonds as being located in an empowerment zone and our free/reduced lunch calculation.

Emily Kolb Qualifies for State Cross Country Meet

By David Sampe

Did you see her running the streets of Brown Deer? It would have been between Aug. 13 and Oct. 26... a single girl, perhaps with a single boy and a coach on a bike. She was training and practicing for her shot at the State Cross Country Meet on Oct. 27. The competition was tough and the weather was even tougher, but Emily Kolb, a senior at Brown Deer Middle/High School, was the toughest.

Emily was the only girl on Brown Deer's CC team (and Charlie Benes was the only boy) but she didn't let the size of the team deter her. Emily had a goal: to earn a medal in every meet. Emily got a medal in the first seven meets of the season, never placing worse than 18th (her best was third) in races that had anywhere from 43 to 155 runners. The eighth meet was big- the Woodland Conference meet where Emily got another medal for 15th place, earning her the honor of second Team All-Conference. But she wasn't done.

Emily's most important meet was WIAA Sectional meet on Oct. 20. Earning a medal at that meet means that you're one of five individual qualifiers for the WIAA State Cross Country meet. The starting gun fired and Emily took off. Five minutes into the race, mother nature brought a squall of sleet and snow. As her coach, I couldn't even see her with the sleet hitting my eyes. That nasty

precipitation lasted maybe 12 minutes but it let up. Emily didn't let up at all. She finished with a fabulous kick that saw her nab the third qualifying spot by running the five kilometers in 20 minutes, 50 seconds. Goal achieved, medal in hand, Emily Kolb was heading to State.

At the State meet in Wisconsin Rapids, Emily did Brown Deer proud finishing in the top half of a superb field of runners. She ran the extremely challenging course in 20 minutes 57 seconds to take 73rd out of 152 competitors. And all those miles of practice, running the streets of Brown Deer with perseverance and determination paid off. Success comes from hard work- as Emily's coach, I saw it happen. Did you see her? Congratulations on a great season Emily in both cross country and swimming - a dual sport athlete in the same season!

The Brown Deer School District names Monica Kelsey-Brown as Assistant Superintendent

The Brown Deer School District's director of teaching and learning now has a new role. Monica Kelsey-Brown, who is in her fourth year in her current role, became the district's new assistant superintendent after the Brown Deer School Board selected her, according to a news release from the Brown Deer School District. Kelsey-Brown will take on administrative projects along with continuing her current duties in her new role. "The board of education has been impressed with Dr. Kelsey-Brown's leadership to maximize the potential of all students and eliminate achievement gaps," said Brown Deer School Board President Kevin Klimek.

Kelsey-Brown holds two degrees from the University of Wisconsin-Whitewater: a Bachelor's degree in elementary education and a

Master's degree in curriculum and instruction. She earned a Doctorate in curriculum and instruction from UW-Madison, where she also minored in educational policy with an emphasis in multicultural education from the University of Wisconsin-Madison.

At UW-Whitewater, Kelsey-Brown was director of academic support services, a role in which Kelsey-Brown supervised staff, managed budgets and ensured program implementation. Her previous roles at the university were as director of the Ronald E. McNair Post-Baccalaureate Achievement Program, coordinator of state summer academic camps and as a counselor for the school's Educational Opportunity Program. She served in these roles from 1990-2001. Kelsey-Brown also helped to secure more than \$1 million in funding during her time there, thanks to her success in

writing and co-writing federal grants.

From 2002-15, Kelsey-Brown held the roles of curriculum generalist and student achievement supervisor with Milwaukee Public Schools, and as a second-grade teacher at Thoreau Elementary.

She also has graduate-level teaching experience, teaching classes at the University of Wisconsin-Milwaukee, Cardinal Stritch University and Bryant and Stratton.

Kelsey-Brown also helped direct the first African-American Female Institute, part of Concordia University in Mequon's hosting of the Closing the Achievement Gap Consortium. AAFI supports young African-American women to aspire to higher levels of academic performance and helps them with college and career readiness.

Kelsey-Brown is a member of the Metropolitan Milwaukee Alliance of Black School Educators, the Christ the King Baptist Church and the Alpha Kappa Alpha Sorority's Upsilon Mu Omega chapter.

"It has been an honor to work side by side with Dr. Kelsey-Brown to serve our students and families. She has the passion and sense of urgency in our equity work as a mentor, colleague and leader. We are so blessed to have this outstanding leader serving our district to create passionate learners, creative thinkers, and innovative leaders who enrich our world," said Brown Deer Schools Superintendent Dr. Deb Kerr.

Stay tuned for the new race date.

New Girls Softball Dugouts

By Craig Griffie

If you go behind the fieldhouse, beyond the football practice field, and down a hill, you will find the latest project taken on by the Brown Deer Middle/High School Construction 2 class. There, on the varsity softball field, is a brand new dugout that will keep our Lady Falcons dry during this upcoming season. The project is technically just over half done. The Home dugout is done (except for paint!) and Visitor dugout's foundation is done, leaving the Visitor dugout to be constructed next school year.

Students have learned many new skills on this project, and have had the chances to apply their math skills as they work to make the structure square and posts plumb. As the weather changed through the fall, they had a taste of what working outside could be like for them if they choose the trades as a career. They also grew to count on

the reality that the worksite may never be dry—something the softball team can definitely relate to!

The project is made possible by the softball team's booster efforts and a grant from the Education Foundation of Brown Deer. CG Schmidt, the general contractor working on the referendum construction, also helped coordinate the services of New Berlin Excavating to hydroblast the 16 holes for the foundation on both structures. The Construction 1 students also pitched in on their second day of class to help pour the cement. They were aided by Kilah Engelke and Josh Tyrrell of Operative Plasterers' and Cement Masons' Local 599.

Alumni Spotlight: Brown Deer Native Dr. Brandon Currie is Coming Home

Former Brown Deer alumnus, WIAA State Tennis Champion in 1996 and 1998 and 2014 Brown Deer High School Hall of Fame inductee Dr. Brandon Currie is coming home as he has just been announced as the Honorary Chair of the Al Hurvis/ADAMM Education Foundation as an ambassador to tennis.

This past June, Currie played U.S. Davis Cup James Blake in a historic and unique tennis exhibition that combined education, scholarship, achievement, and athletic prowess. This event took place at the Novak Family Field House featuring a new indoor tennis court laid beautifully on top of the main basketball court. Over 1,000 community members attended this first-time event.

As a young man, Currie excelled in the game of tennis throughout his high school career, landing him a full ride scholarship to Butler University in Indianapolis, Indiana. While attending Butler University, Currie received a Bachelor's degree in elementary education while becoming the school's most incalculable player in the school's history, holding down records for the most singles and doubles wins. His college tennis career included receiving the highest tennis honor as male athlete award. Winning this award spurred him into becoming a three-time NCAA tournament participant and National Intercollegiate ranking of #60 in singles and #30 in doubles.

In 2016, Currie was chosen into the Butler University Hall of Fame. Continuing with his passion for tennis, Currie started his career working as the tennis collegiate coach for Indiana University Purdue University Indiana (IUPUI). He received his Master's degree from his alma

ma mater Butler University in counseling and psychology, eventually pursuing and obtaining his doctoral degree 2016 for urban education. His research consisted of a study of African American male tennis players across the world. Currie currently

owns a racquet club in Indianapolis, The West Indy Racquet Club. He prioritizes children and providing them with reduced pricing on lessons, camps, memberships, and equipment. It is his belief that every child should be able to learn the game of tennis without finances as a barrier. His desire to put tennis first not only in his community in Indianapolis but here in Milwaukee community that helped shape him as an accomplished player and even greater man is just one reason the Milwaukee Tennis and Education Foundation in conjunction with the Al Hurvis/ADAMM Education Foundation are very excited to welcome Dr. Currie back to the Milwaukee area as a partner and Ambassador in the tennis arena! The Brown Deer school community will be working with Dr. Currie to further develop our partnership and collaboration towards to effort of re-energizing the game of tennis to youth in Milwaukee and the surrounding areas.

Advocate for High-Quality Education and Life in Brown Deer

Over the last six years, the world landscape has changed dramatically with a more globally connected economy and higher expectations for teaching and deeper learning. What we learned from our last plan was transformation was possible with the understanding of best practice research and right systems in place to drive continuous improvement. With the leadership of the Board of Education, staff, administrative team, and school community, we set the stage for transformation by aligning systems and limited resources. We acknowledge we still have work to do but are committed to higher levels of educational excellence for all students. While we embrace the past and reaffirm our collective work, it's now time to renew, refresh, and include new perspectives.

In terms of our Brown Deer school community, the Village has also dramatically changed with increased diversity, mobility, and socio-economic challenges. It is now our call to action to engage all voices of our stakeholders at whatever level they can enter into this process. We will adapt to the needs of our school community by providing numerous opportunities for input at already scheduled school events, conduct focus groups, collect surveys, and attend group gatherings. Together we will create a new future for our students that will prepare them to lead the world by honoring people's voices.

Our new plan - "Defining our Destiny 2.0 - Imagine the Possibilities" will not chart a new course, but we will stay the course building upon what we have learned, reviewing new research and imagining our possibilities forward. Our current mission and vision statements still evoke emotion, reflect our purpose and aspired future. We will continue with those essential and integral aspects of our plan. We will continue to articulate our values keeping in mind our changing community and refine our goals to elevate our educational priorities to provide a world-class education for all students. We look forward to accomplishing ambitious goals and higher outcomes for all of our children.

A Little News from Meadowside in Brown Deer

By Diana K. Otterbacher

Before the proliferation of commercial gyms and fitness centers, there were exercise stations in civic parks and places like the walking/jogging path in the Meadowside subdivision of Brown Deer.

Forty years of chin-ups and sit-ups, workouts and Wisconsin weather weakened the structures, but at the same time strengthened the resolve of residents to keep the path safe and attractive.

Libby Greaves and Sherry Olson-Ngui often walked the winding half-mile trail and began to imagine a new use for the deteriorated equipment.

Some stations had been removed by volunteers during pathway clean-up days. But as a few sad, wooden walking beams and chin-up bars remained, Greaves and Olson-Ngui decided to decorate them and brighten up the trail. It was constructed during the 1980's when Siepmann Realty acquired the farmland North of Dean Road between Meadowside Circle

and 46th Street for one of their many Planned Unit Developments. Siepmann planted trees and installed a "Vita Course" along a winding fitness trail that was enclosed by 94 homes, creating a cozy neighborhood. Years later, it was that same welcoming community environment that Greaves and Olson-Ngui wanted to conserve.

Throughout the summer of 2017, with permission from the Meadowside Homeowners Association, Greaves and Olson-Ngui led the effort of about ten volunteers who reinforced and transformed the creaky structures into colorful, whimsical markers, hand-painted with positive quotes from children's books.

A few of the quotes are:

"Don't give up, I believe in you all. A person's a person no matter how small" - Dr. Seuss;

"Courage is found in unlikely places," -

J.R.R Tolkien; and,

"A second star in the right shines in the night for you, to tell you that the dreams you have really can come true"

- Peter Pan.

Greaves said that the colorful quotes are meant to add a positive thought to a pleasant walk along the path. She'd like to see adults bring their children to the path and read a book next to the matching quote. All this has led to renewed pride and interest in the trail that binds the homeowners together.

In addition, a Facebook page for Meadowside Homeowners was created to notify residents of work days, monthly pot lucks, rummage sales, and a way to share information around the neighborhood.

During the summer of 2018, volunteers gathered to eliminate the invasive buckthorn and dead ash trees from the wooded areas. They also started a butterfly garden with wild flowers and milk weed.

Recently, several volunteers rested from all their work and enjoyed a tea party in the shade of a giant maple. Monarchs fluttered among the milkweed.

"This would be a great place for a wedding," mused one neighbor. "Maybe a gazebo someday," imagined another. "We could put a community herb garden over there..." and the ideas flowed on.

Meanwhile, a plot of stubborn buckthorn needs to be dug out from an island of one of the subdivision's culs-de-sac.

Whew! With all that hard work, who needs exercise stations?

Introduction to the Language Esperanto

For teens and adults

Tuesday, April 23 from 4 to 5 p.m.

Ever wanted to learn a foreign language but always felt like they took too much work? If so, then the language of

Esperanto is for you! Esperanto is an international language created in the 1800's and spoken by around two million people worldwide. It even has original literature, movies, music, and more. Studies have shown it only takes a fifth the time to become fluent in Esperanto compared to French. The class will cover some basic words and introduce students to some of its music and history. Resources will be provided for further study.

Star Wars Escape Room

For Star Wars fans of all ages

May 1-3

A fellow rebel spy has left vital information for you on an abandoned space station. Can you solve the clues they left and find the information in time, or will you be captured by the Empire?

Registration is mandatory. You can sign up for a timeslot at the reference desk beginning April 15.

There will be no storytimes on February 18 and 20, or April 1 and 3. Please sign up for story-time at the reference desk or by calling (414) 357-0106. Craft supplies can only be guaranteed for those who are signed up.

Sensory Play

Fridays from 11 a.m. to noon

January 18

February 15

March 22

April 19

Children of all abilities need and benefit from sensory-based play. It allows them to connect ideas with concrete experiences, it stimulates the brain which helps strengthen neural pathways, and it helps develop fine and gross motor skills. During the program, children move through different sensory stations with their caregiver. Grown-ups receive a handout detailing the instructions for each station, which matches it with a developmental goal and includes prompts to engage their children.

ADULT PROGRAMS

Appraisals by Mark Moran

January 19, 2019 from 10:30 a.m. to 1:30 p.m.

If you like the Antiques Roadshow, you will love this program. Mark Moran is coming to the Brown Deer Library to tell you how much your treasures are worth. This has been an incredibly popular event in the past and is sure to bring a smile to your face. Mark Moran has been an appraiser on the Antiques Roadshow for five of the last seven seasons and routinely conducts community appraisal events around the state. He has written over two dozen books and bought and sold antiques for over 30 years. Registration for appraisal is required as well as a \$10 participation fee. The event is free to bystanders.

A Book Is Better When Discussed

The library's Book Club continues through November on the 3rd Wednesday of the month. The Book Club meets in the library's Community Room from 5:30-6:30 p.m. Participants must register for each month. One may register by stopping at the Reference Desk or calling the library (414-357-0106).

January 16, 2019 - *The Immortalists* by Chloe Benjamin

The heart-aching story of four siblings in the year of 1969. When the four siblings heard of a gypsy living near them in the Lower East Side of Manhattan that could tell when one would die, the siblings' curiosity got the best of them. Hunting down this mysterious woman, each would soon be told the exact day each would die. With the news of their death dates hanging over them, each sibling soon comes to find how dangerous such knowledge could be while trying to figure out what they should do with the time they supposedly had left.

February 20, 2019 - *The Good Neighbor* by Maxwell King

Fred Rogers (1928–2003) was an enormously influential figure in the history of television and in the lives of tens of millions of children. As the creator and star of Mister Rogers' Neighborhood, he was a champion of compassion, equality, and kindness. Rogers was fiercely devoted to children and to taking their fears, concerns, and questions about the world seriously. Drawing on original interviews, oral histories, and archival documents, Maxwell King traces Rogers's personal, professional, and artistic life through decades of work.

March 20, 2019 - *How to Stop Time* by Matt Haig

A quirky tale of a love story across the ages – and for the ages – about a man lost in time, the woman who could save him, and the lifetimes it can take to learn how to live. Tom Hazard, a man who has secretly lived for centuries, has just moved back to London, his old home, to settle down and become a high school history teacher. Now, he just wants an ordinary life. Unfortunately for Tom, the secretive group which protects people like Tom has one rule: Never fall in love. But when a captivating French teacher seems interested in him, he finds his world shaken to its foundations. A bighearted, wildly original novel about losing and finding yourself, the inevitability of change, and how with enough time to learn, we just might find happiness.

April 17, 2019 - *Sharp* by Michelle Dean

Dorothy Parker, Rebecca West, Hannah Arendt, Mary McCarthy, Susan Sontag, Pauline Kael, Joan Didion, Nora Ephron, Renata Adler, and Janet Malcolm – these brilliant women are the central figures of *Sharp*. *Sharp* is a vibrant and rich depiction of the intellectual beau monde of twentieth-century New York, where gossip-filled parties at night gave out to literary slanging-matches in the pages of the *Partisan Review* or the *New York Review of Books* as well as a considered portrayal of how these women came to be so influential in a climate where women were treated with derision by the critical establishment.

Coloring, Conversation and Coffee

We supply the coloring pages and colored pencils and coffee; you bring the conversation. Adults are welcome to pop in and color and converse **select Fridays between 11 a.m. and 1 p.m.** in the library's Community Room. Use our supplies or bring your own. Winter/Spring Library Programs

January 3 – Crazy Rich Asians (120 min.) PG-13

Based on the New York Times bestselling novel by the same name, *Crazy Rich Asians* tells the story of Rachel Chu as she accompanies her longtime boyfriend, Nick, to his best friend's wedding in Singapore where she is stunned to learn that Nick's family is one of the wealthiest families in the country, making Nick one of the country's most eligible bachelors. Thrust into the spotlight, Rachel must now contend with the dark side of high society – jealous socialites, quirky relatives and something far, far worse: Nick's disapproving mother.

January 4– The Happy Time Murders (91 min.) R

It was the 1980s children to show to end all shows; everyone loved it. Featuring playful puppets, it was a hit. But now it's several decades later and there's something sinister happening. And it will take one powerful puppet to figure out why the unfortunate puppets from this show are being killed. One puppet, who now works as a private investigator, believes he is up to the task. But with a shady background, it seems unlikely that others will believe him, even if he is able to crack the case.

February 7– Ocean's 8 (110 min.) PG-13

Five years, eight months, 12 days and counting -- that's how long Debbie Ocean (Sandra Bullock) has been devising the biggest heist of her life. She knows what it's going to take -- a team of the best people in the field, starting with her partner-in-crime Lou Miller (Cate Blanchett). Together, they recruit a crew of specialists, including jeweler Amita (Mindy Kaling), street con Constance (Awkwafina), suburban mom Tammy (Sarah Paulson), hacker Nine Ball (Rihanna), and fashion designer Rose (Helena Bonham Carter). Their target -- a necklace that's worth more than \$150 million. Also starring Anne Hathaway.

February 8– TBA

March 7 – Christopher Robin (104 min.) PG

All grown up, Christopher Robin (Ewan McGregor) is a working-class family man in need of someone to help him rediscover the little joys of life and the child within. When he gets a surprise visit from his childhood friend, Winnie-the-Pooh, and his other pals from the Hundred Acre Woods, Christopher embarks on a journey of a lifetime. Also starring Hayley Atwell, Bronte Carmichael, and the voices of Jimm Cummings, Brad Garrett, Nick Mohammed, Peter Capaldi, Sophie Okonedo, Sara Sheen, and Toby Jones.

Learn to Swim Levels

Ages 6 and Older

Level 1: Helps students feel comfortable in the water. Participants learn to enter and exit the water safely, fully submerge their head, exhale underwater, float on their fronts and backs with support and begin to swim on their fronts and backs using arm/leg action.

Level 2: Gives students independent success with fundamental skills. Participants learn to independently enter and exit the water safely, swim on their sides, submerge entire head for five seconds, float on their fronts and backs without support, glide on their fronts and backs unsupported and swim on their fronts and backs using combined strokes for 15 feet unsupported.

Level 3: Builds on skills learned in Level 2. Participants learn to jump into deep water from the side, dive from kneeling or standing position, perform front and back float for 30 seconds, swim front crawl for 15 yards, swim back crawl for 15 yards, the butterfly kick and the butterfly body motion.

Level 4: Develops confidence and strength to improve skills learned and introduces new aquatic skills. Participants learn to swim underwater, perform a feet-first surface dive, perform open turns on their front and back, tread water for one minute, swim front and back crawl for 25 yards, swim breaststroke and elementary backstroke for 15 yards, swim butterfly for 15 yards and swim on their sides using a scissors kick for 15 yards.

Level 5: Provides further coordination and refinement of strokes, swimming further distances. Participants learn to tread water for two minutes, perform standing dives, swim sidestroke and elementary backstroke for 25 yards, perform tuck and pike surface dives, perform front and back flip turns, swim front and back crawl for 50 yards and swim butterfly and breaststroke for 25 yards.

Level 6: Refines strokes so students swim them with ease, efficiency, power and smoothness over greater distances.

Location: Range Line School Gym, 11040 N. Range Line Rd

Fee: \$30 Residents/ \$33 Non-Residents for 10-play punch card

Yes, PICKLEBALL – the fun game with the funny name, is one of the fastest-growing sports in the nation! Created in the backyard of Washington Congressman Joel Pritchard in 1965, it is a combination of badminton, tennis and table tennis, and is enjoyed by all age groups. Using a badminton-sized court, tennis-height net, table tennis-type paddle, and a baseball-sized whiffle ball, usually played by doubles, this game has few rules and is far less strenuous than tennis. It is easy to learn and provides plenty of exercise and eye-hand coordination; a game of strategy for both men and women, you don't have to be tall and powerful. Want to watch a video? Go to www.USAPA.org, click on link "What is Pickleball?" under Training and Court Info link or sit in on any Tuesday, Thursday, or Saturday open court session to see if you'd like it.

Pickleball players can purchase a 10-play punch card in the Recreation Office (Monday – Friday - 8am – 4pm) good for any day of play and DOES NOT EXPIRE. Each participant is responsible for bringing and punching their card each time they play. Once the card is full, another can be purchased. Drop in rate for participants without a punch card is a \$5.00 fee. There will not be open courts on: December 13, 15, 25, January 1, February 19, April 2, 4, 6 and May 2 and 4.
