

NORTH SHORE BOARD OF HEALTH Governs the health department and assures the enforcement of state public health statutes and public health rules. The Board of Health assesses public health needs and advocates for the provision of necessary public health services; develops policy and provides leadership emphasizing public health needs; advocates for equitable distribution of public health resources; and assures that measures are taken to provide an environment in which the population can be healthy. (2-Year Term)

Board of Health: 2-year term

Dr. Rosalyn McFarland (Appointed in 2020)
